

GEOMETRIC MANDALAS

www.LOSTefx.com

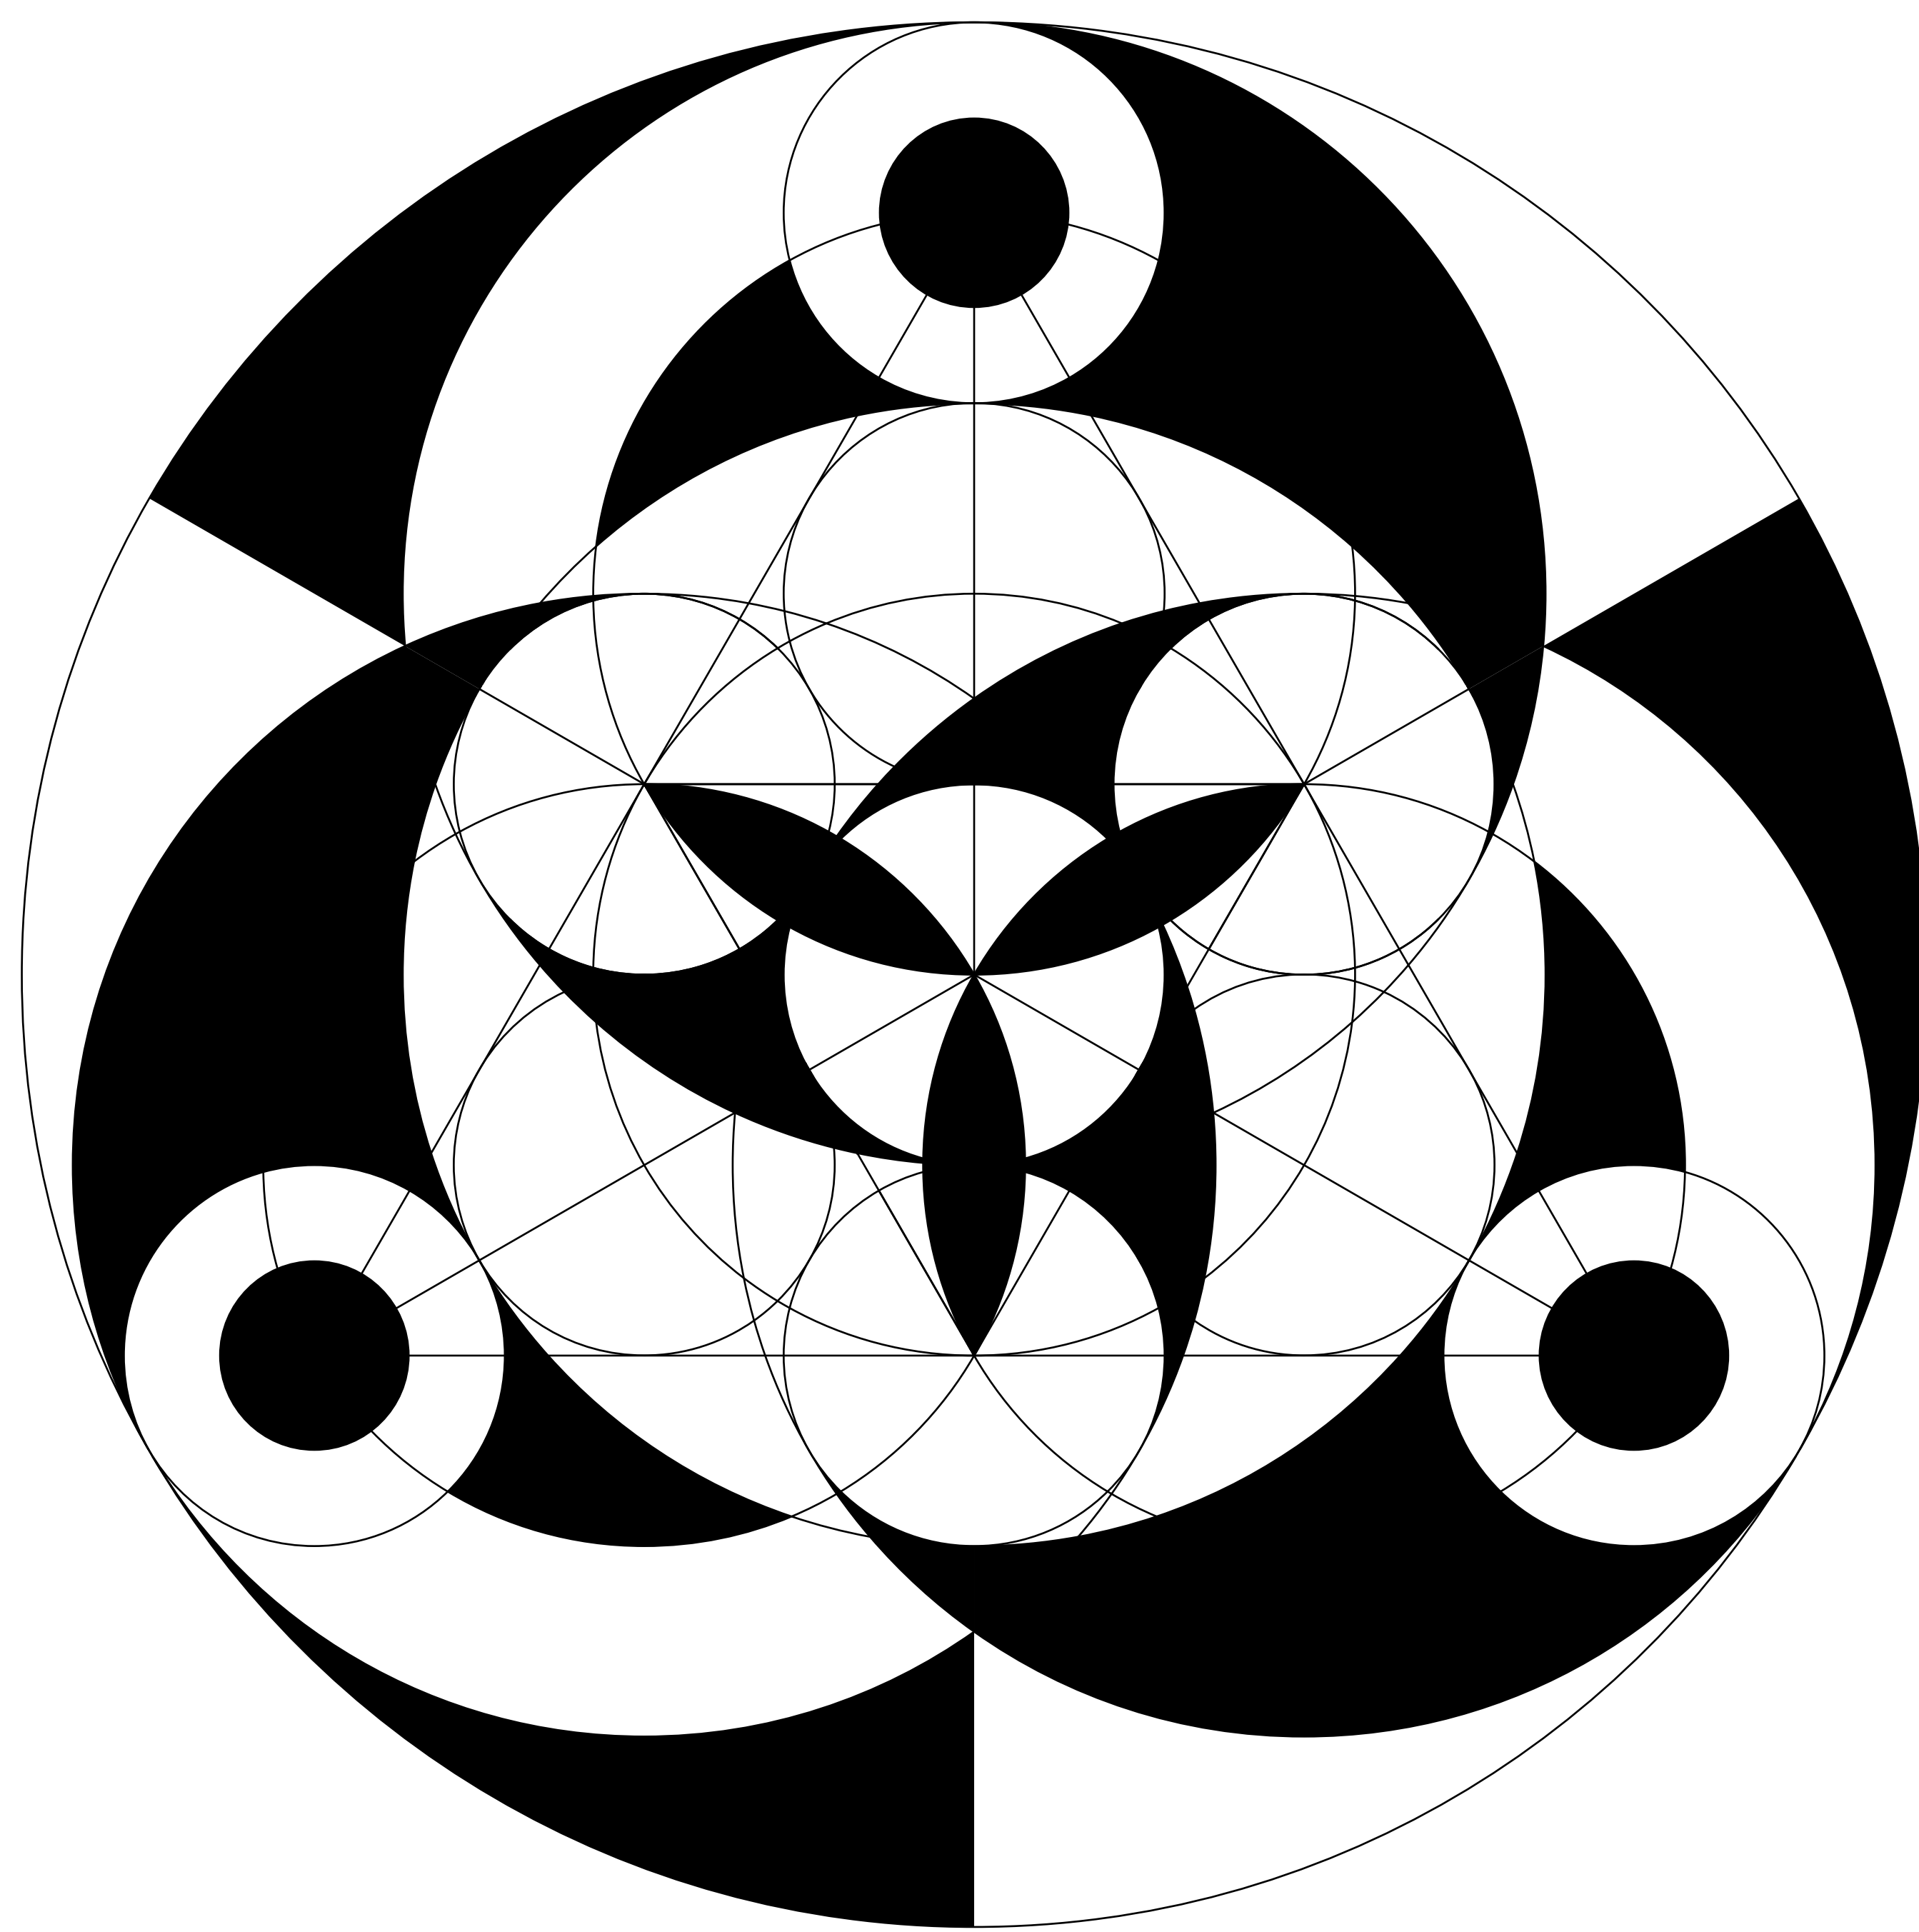

Preface

It is with joy that I want to donate the following drawings. They are a series of geometric mandalas inspired by symbols of Sacred Geometry, from personal study on geometric shapes, others are taken from my artwork.

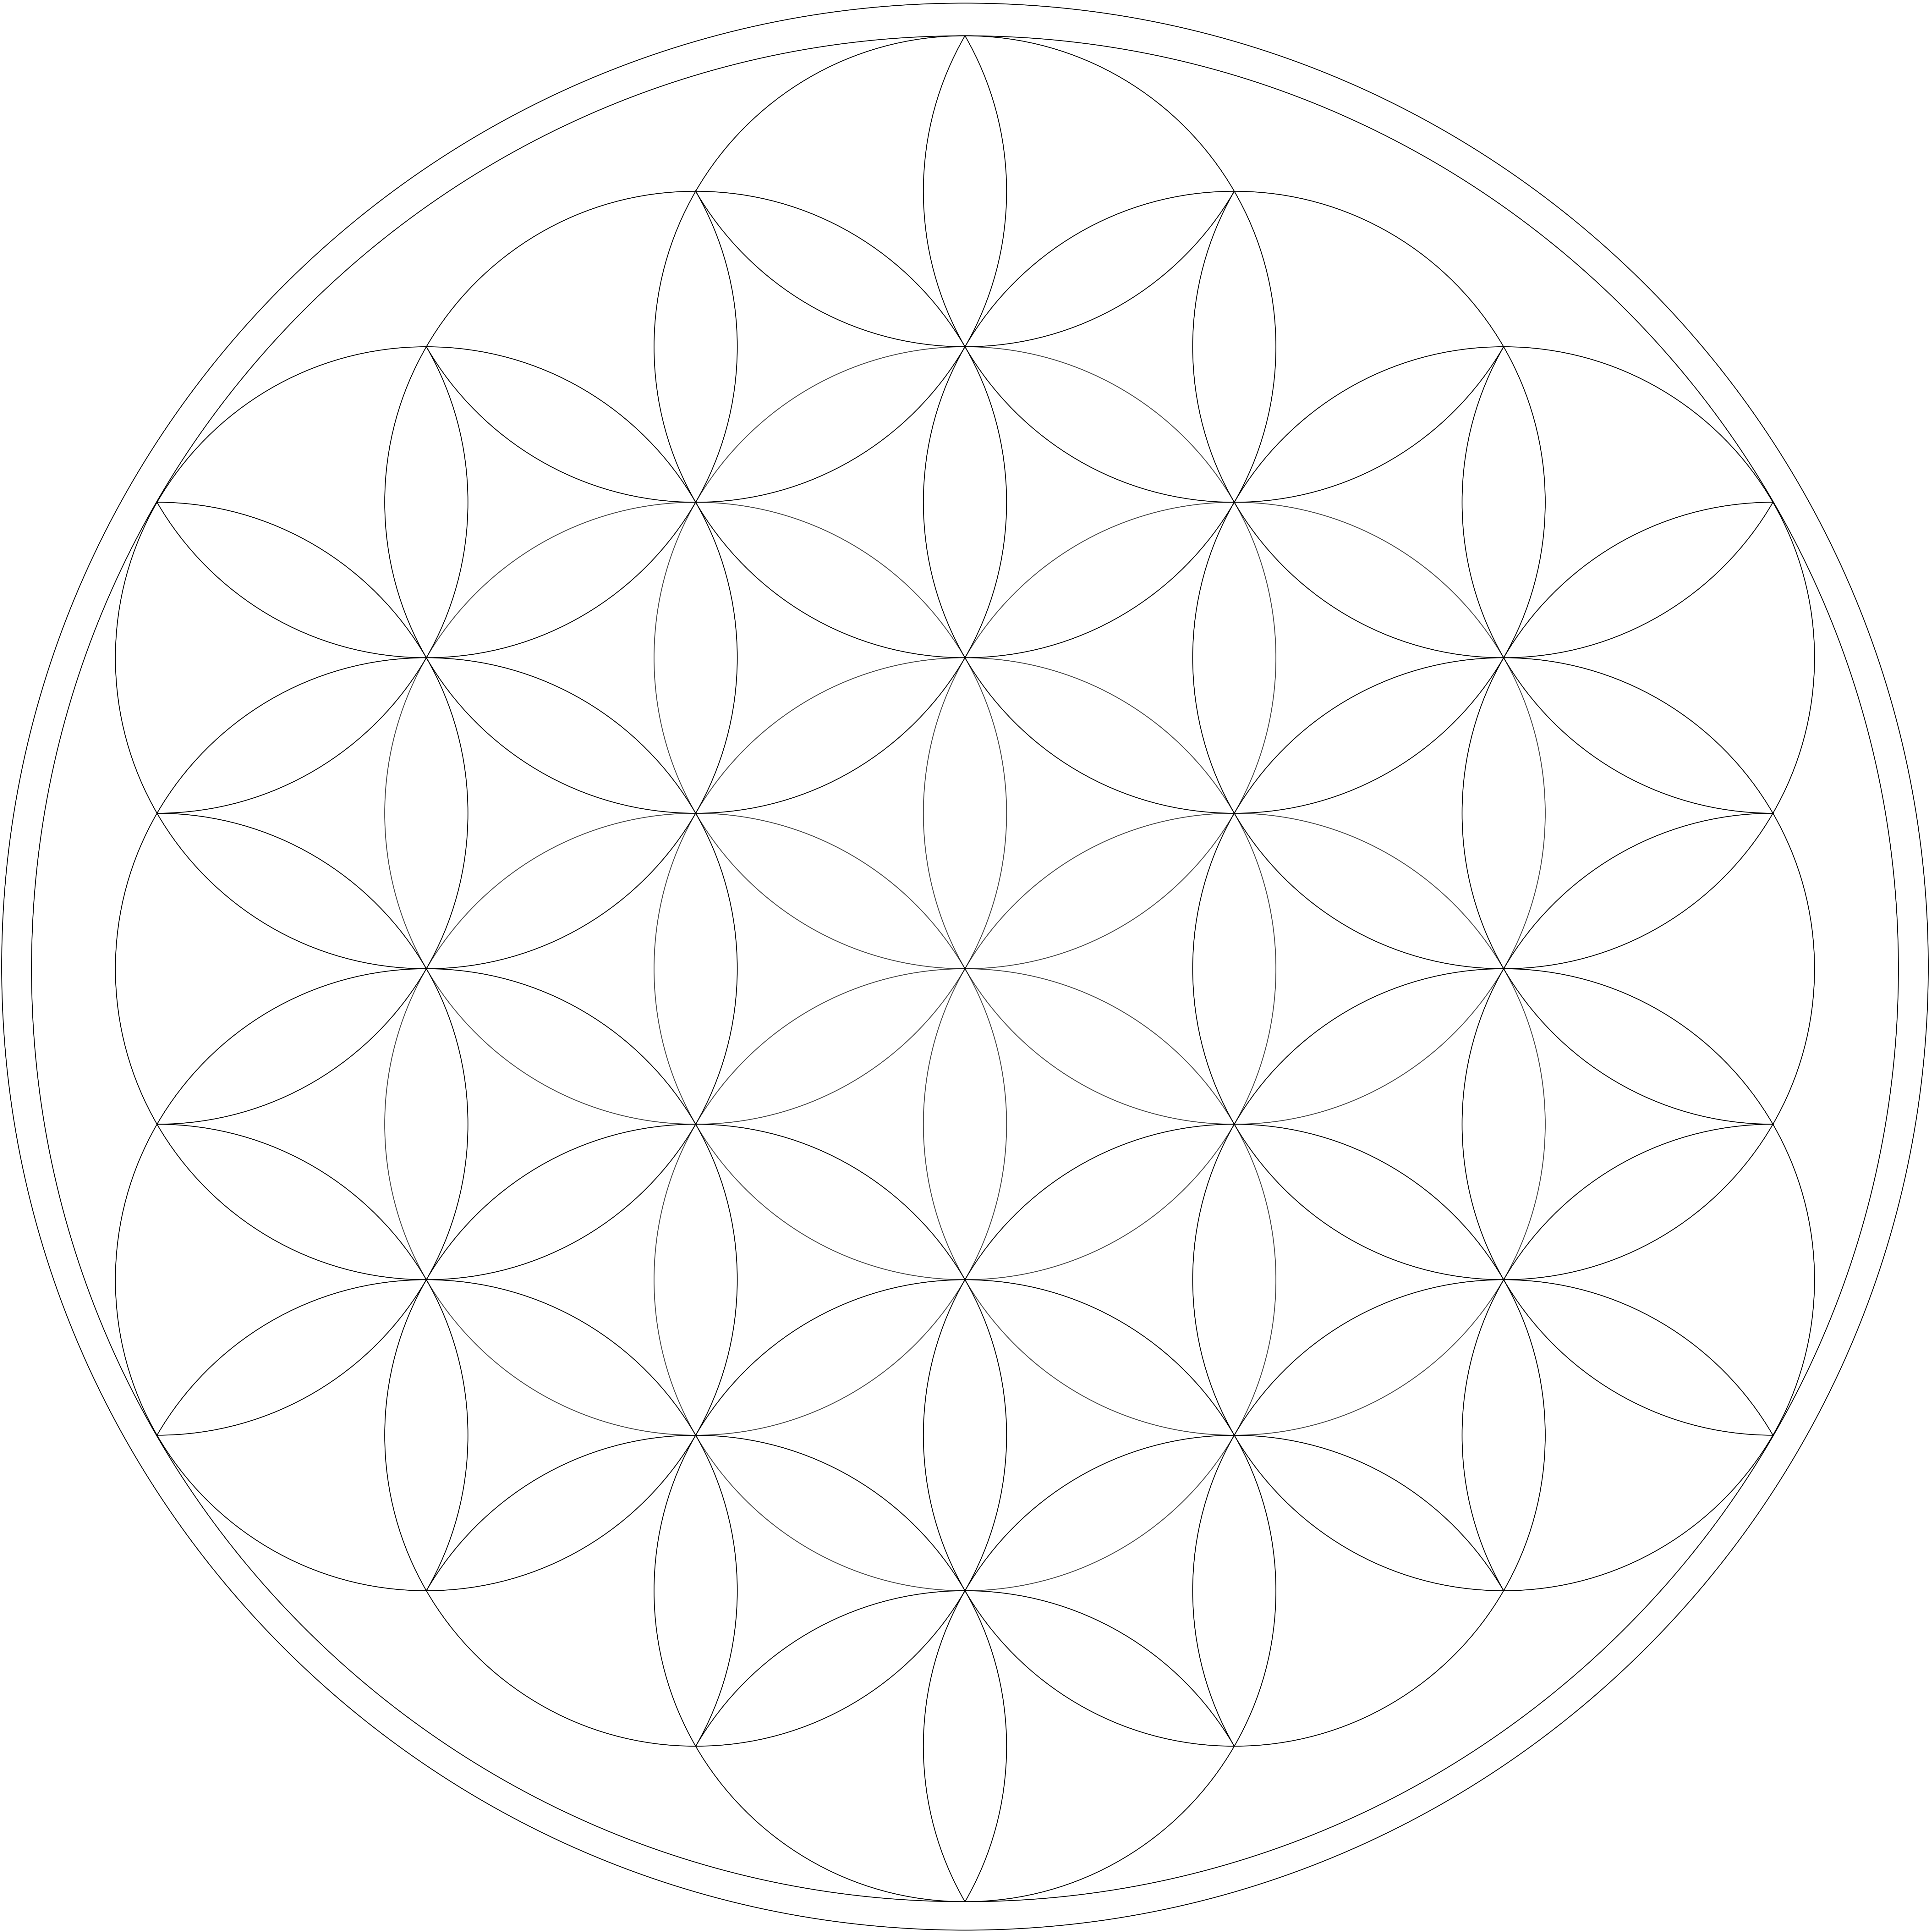

They are all in A4 / Letter format in high resolution (300 DPI) so that they can also be printed in larger formats.

I hope you enjoy coloring them.

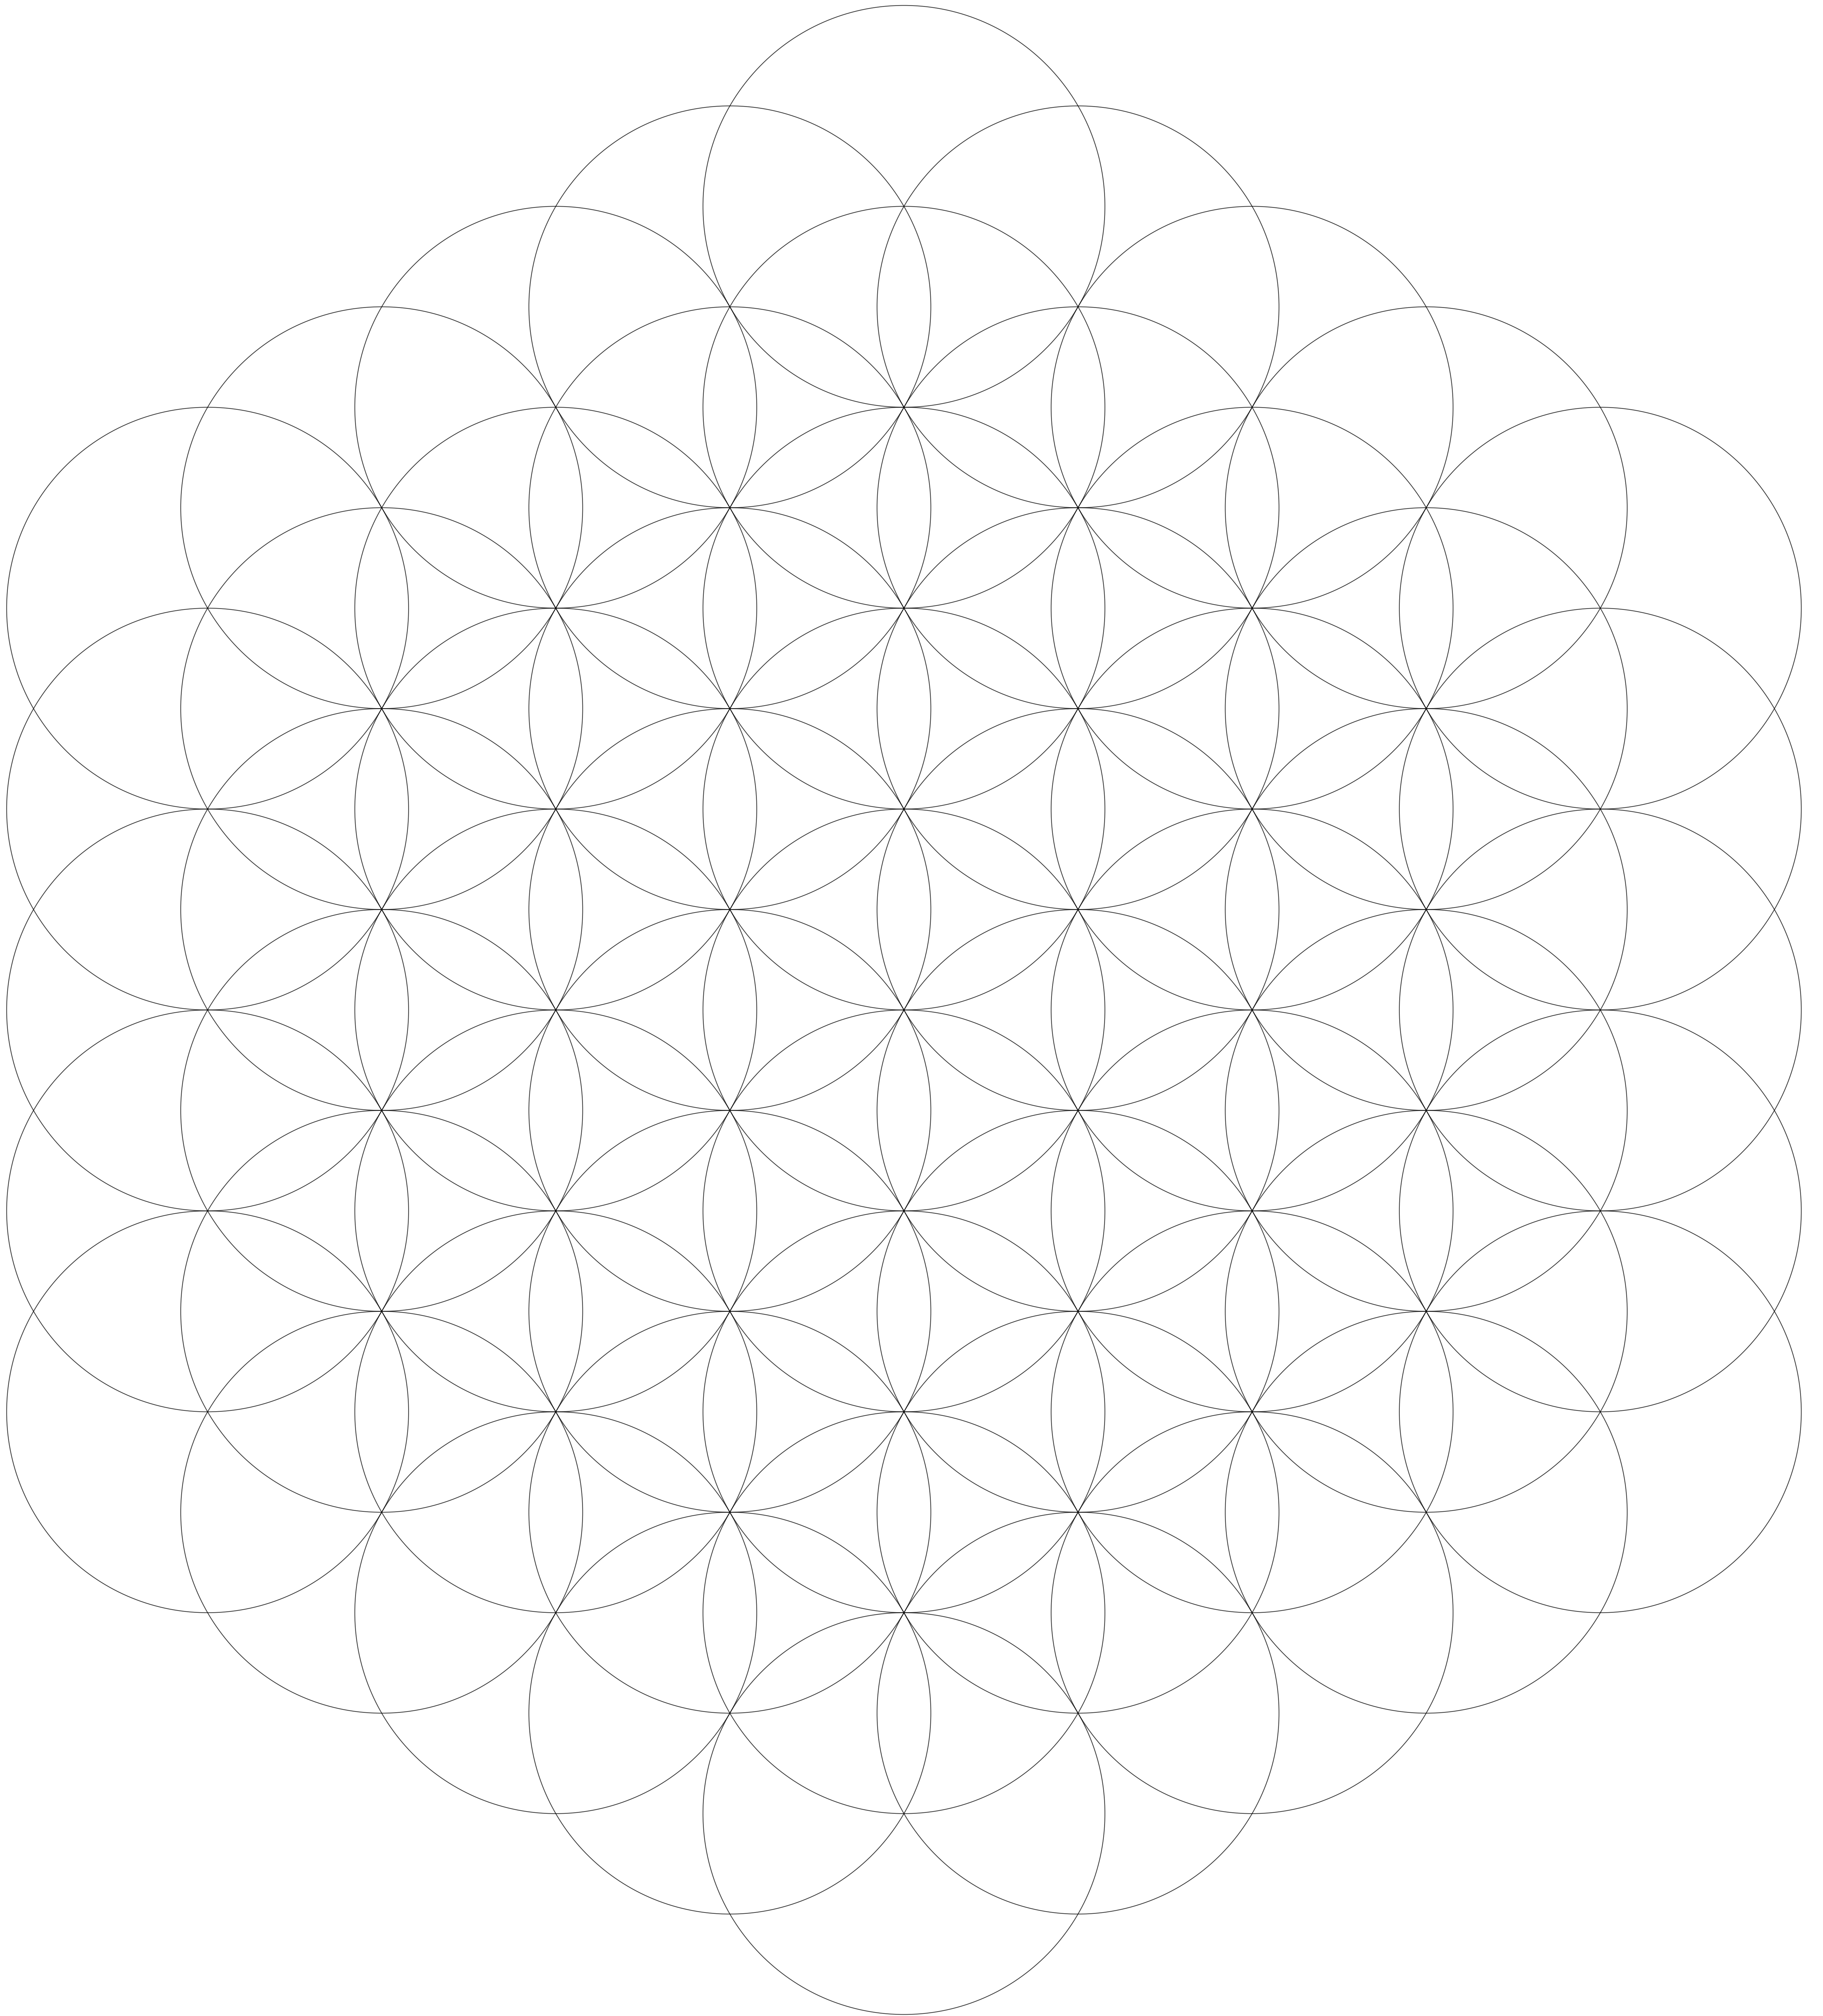

Thank You
