Re: Renovations at Viva Wyndham Dominicus Beach

Dear partners:

We take this opportunity to inform you that in order to improve our offer at Viva Wyndham Dominicus Beach, we will renovate some rooms during the low season starting August 27th until October 21st, 2018.

Please consider that in order to avoid disturbances in the rooms close to the area, we will have reduced inventory during those dates.

Even though these improvements will not prevent the normal services from being offered to our mutual customers, we cordially request that you be notified of these works those with reservations confirmed or to be confirmed on these dates, in order to avoid inconveniences to the moment of arrival at the hotel.

Please contact us for more information or any additional requests.

Warm Regards,

A handwritten signature in blue ink, appearing to read "Amanda Santana", is positioned above the printed name.
