Re: Honeymoon package

Dear Partners:

Receive kind regards from Viva Wyndham Resorts!

We would like to ask you to inform our mutual guests requesting honeymoon package for their future stay, that they must present their official wedding/civil partnership certificate at check in to be able to obtain benefits included in the package. Date of travel cannot exceed 9 months from marriage date.

If official marriage certificate is not presented at check-in, the hotel reserves the right to offer the package.

We thank you in advance for your usual collaboration and feel free to contact us if you require any additional information.

Best regards,
