YOUNGER GUESTS

Christmas is a wonderful time for children (both young and old) but the thought of them actually meeting Santa Claus is sometimes just too exciting. To balance this out, we have devised a programme especially for our younger guests, which will keep them grounded, entertained and peaceful.

Petit Spa

The team at The Spa has developed a Spa menu especially designed for children – chocolate treats and fruity delights are in store!

Family Fun

The range of festive celebrations will be sure to get you in the mood to rejoice and have fun. For information and reservations, please visit our Festive Season Coordinator who is based in Iru Restaurant at breakfast and dinner times. Alternatively, please contact **WISH** on your in-room telephone.

Eat

Haute cuisine or fish finger sandwiches, anything is possible for children at The Sun Siyam Iru Fushi. Children eat for free from certain menus; please see the terms and conditions at the back of this booklet.

Play

There are many activities taking place throughout the festive season for children to get involved in, from fun entertainment at Koamas Kidz Club, experiencing the magnificent underwater world of the Indian Ocean for the first time, and discovering that Nemo really does exist!

Please take a look at the daily programme or speak to your Butler to see what is happening in the resort.
