

Bighorn Institute

NEW Citizen Science program!

Have you seen bighorn sheep? We want to know about it! YOU can help us keep track of the endangered Peninsular bighorn sheep in the Coachella Valley by logging your sightings!

1. **Download** the **iNaturalist app** or log onto [iNaturalist.org](https://www.inaturalist.org)
2. **Sign up** for this free account **or log in** with an existing Facebook, Twitter, Flickr, Google or Yahoo account
3. Search projects & open **Bighorn Institute's project**
4. **Join Bighorn Institute's project** by clicking on "Join this project" (upper right corner)
5. **Add observations** – once you are on Bighorn Institute's project page, click "Add Observations" on the right side of the page and log your sightings of "desert bighorn sheep" including photos

TOGETHER, we will work toward the recovery of this majestic valley icon, the endangered Peninsular bighorn sheep!

THANK YOU!
