

by Susanna Winter

Get ready for some spooky Halloween fun! The Horror-riffic Halloween Mystery Mittens are a pair of stranded colorwork mittens inspired by a classic black-and-white horror movie. Which one? You'll have to knit them to find out...

Pick two colors of fingering-weight yarn with a good amount of contrast between them. Black and white is a classic combination for a reason but you can also use color.

Right and left mittens are worked from separate colorwork charts. Each mitten has its own motif and together they will form a bigger picture...

The pattern comes in three sizes: 66, 70, or 74 sts. Helpful tips for managing long floats in colorwork are offered within the pattern.

This pair of mystery colorwork mittens is released in nine clues starting October 1, 2019. Keep up with the clues and you'll have a brand new pair of seasonally-appropriate mittens just in time for trick- or-treating!

Get the Pattern

Purchase the pattern via Ravelry here: [Horror-riffic Halloween Mystery Mittens](#). Make sure you're logged in first to have all clues delivered automatically to you as they're released.

Clue Schedule

New clues are released **every Tuesday and Friday** in October 2019.

- Clue #1: October 1
- Clue #2: October 4
- Clue #3: October 8
- Clue #4: October 11
- Clue #5: October 15
- Clue #6: October 18
- Clue #7: October 22
- Clue #8: October 25
- Clue #9: October 29

Materials

Yarn

Tukuwool Fingering (100% wool, 195 m/50 g, 213 yd/ 1.76 oz), 2 colors

- Main color (MC): #H23 *Selja*, 1 skein
- Contrasting color (CC): #H27 *Tyyni*, 1 skein

Or (light) **fingering-weight yarn, 2 colors**

- MC: approx. 150 [180, 195] m / 165 [195, 215] yd
- CC: approx. 130 [155, 170] m / 140 [170, 185] yd

Choose two colors with a **good amount of contrast** between them. The motifs make more sense with a light MC and dark CC but the colors may be swapped if you wish.

Solid or semi-solid yarns are ideal for both colors. Variegated yarns should be used with caution.

Right and left mittens are worked separately. You don't have to split your yarn or have two sets of needles.

Needles

- 2.25 mm / US #1 DPNs or circular needle(s) for working small circumferences in the round (or size needed to obtain gauge)

Notions

- Darning needle
- Small amounts of fingering-weight scraps in various colors (optional)
- Yarn guide or Norwegian knitting thimble (optional)
- Waste yarn for thumb stitches

Gauge

- 32 sts × 38 rows = 10 cm / 4" in stranded stockinette, blocked

Gauge is independent of suggested needle size. Please take time to check your gauge before casting on.

Sizes

- S [M, L]
- 66 [70, 74] sts

Finished Measurements

- Palm circumference: approx. 20.5 [22, 23] cm / 8 [8½, 9]"
- Length from top to wrist: approx. 24 [24.5, 25] cm / 9½ [9¾, 10]"
