A few more tips for your pleasure:

Playa Cosmo and all the other adult beverages

CELESTIAL BODIES 7:30 Plaza

Absolutely my favorite gayborhood bar. The best place for a drink before or after the parties, or basically any time of the day. I know every time I go there I will get a Playa Cosmo, meet interesting people and they will ask if I'm 21 or older (makes me feel like a twin again).

Cockadoodle Brew! Morning Coffee Parties

Coffee served at the bar with some wake up music on the dance floor. I can't start my day without my coffee with a shot of Glam.

Snow Cones served in a naughty way

12pm - 4pm daily PARADISE MOTEL 7:15 G

All you need during the day in a snow cone! Cut the line if you show your junk! Fact - sometimes the naughty line gets longer than the general one.

Bear Shower Happy Hour!

Join the Astropups in their favorite cleansing ritual! Their team of pups, otters, cubs, bears, and other beasts will demonstrate super showering techniques with a few frisky performers on the shower demonstration stage. All humans are welcome!

Moontang Happy Hour

4pm - 6pm daily BAD ASSTRONAUTS 9:00 H

Enjoy Moontang shots to galactic beats from across the universe. Different musical genre every day! Get your badass ass stamp!

Dancing in the gayest sound camp

Every afternoon PINK MAMMOTH 8:30 F

That pink shade structure with a great music is always very welcoming. Visiting it is simply is simply a must, especially during the dust storm - that's when the magic happens. Seriously - from every visit there I have amazing stories to tell.

BAAAHS every night on the playa

You cannot miss the gayborhood's favorite art car. It's a big ass amazingly awesome homosexual sheep (basically a huge sheep shooting lasers), that wants you to slide in, get on the top and dance!

See you on the playa, beautiful people!

Gaynighter, Loup Blanc, Snow Leopard, Andrew, Andrius (yes, all these are my names and I'm shopping for more)
