Time to e_____ new life in Christ

(John 1:1-5,10-13)

In Jesus is life, and o_____ through Him can we be brought into a right relationship with God, and become children of God.

Based on Luke 5:33-35, what specifically was the complaint that the Pharisees brought against Jesus? What did Jesus not say about fasting? Was He against fasting? What did Jesus give as a reason for His disciples not fasting? Why should you fast or not fast?

Based on Luke 5:36-38, what is the main point that Jesus is making regarding conflicting views and practices? With your worldview and beliefs and daily practices, are there any conflicts between your old way of life and your new life in Christ? Prayerfully consider what it means to live freely and peacefully in Christ.

Based on Luke 5:39, what can be said about the saying, "It is hard to teach an old dog new tricks"? Why do you think it is hard for people to accept new ideas and new ways? Prayerfully consider your own struggles with aligning yourself completely with Christ. (His way was "new" for the Pharisees based on their practices, but was "old" as creation itself and eternity past. More importantly, it is God's way.)

Next Sunday, we will look together at Jesus being "The Lord of the Sabbath." Prayerfully read Luke 6:1-11, and consider what Jesus is saying about the right way to enjoy the Sabbath day. What is the significance of the Sabbath for us today?
