

# The Cougar Update

Conestoga Christian School ❖ 2760 Main Street ❖ Morgantown, PA ❖ 19543 ❖ 610.286.0353

## Service Day 2016

The vision for Conestoga Christian School is to provide a quality education while developing critical thinking skills, nurturing Christ-like character, and equipping students for a life of discipleship and **SERVICE**.

Conestoga Christian School's 43rd Annual BBQ & Auction will add a **student service component** to Friday morning, October 21. From 8:30 to 11:00 AM students will serve our community and our school during our CCS Service Day 2016.

You and your friends and family can support our students on this Service Day and support our BBQ & Auction by making a donation to sponsor our students' service. The suggested donation is \$35 per student, but a donation of any amount would be a blessing.

Go to the **Service Day 2016** page on our website to see all of the details and to sponsor a student with a donation. You can find the page under the Events tab.

All support will be online and is fully tax deductible. Donations for Service Day 2016 will be included in our Auction Weekend totals. Support our vision, support our community, support our school, and support our students as they serve.

## Have Something Cool to Donate?

We will be accepting donations for the Auction starting on October 1. We ask that you donate new or like-new items or antique/vintage items that have at least a \$100 value. Items may be dropped off on the stage in the gymnasium. There will be donation tags on the stage to mark your items. Additional tags can be picked up in the office.

## Chicken Dinner Tix

An envelope of chicken dinner tickets was sent home this week to each CCS family. Please check backpacks, folders, lockers, lunchboxes, pockets, and cars OR perhaps just ask your child where it is! Also, don't forget to read the neon green paper attached to the ticket envelope. This paper includes important information. Thanks much!

## Help Still Needed!

We still need a whole lot of volunteers to help out during Auction weekend. Can you give a few hours to make the weekend succeed? It is so easy to sign up! Go to the **Auction page** on the website and click on the green button if you are a parent or the yellow button if you are a student.

## Athletic Blog Has New Information!

Do you *love* to come out and cheer for our Cougars, or have you *never* been to an athletic event here at school? Either way, you will want to take a look at Mr. Yoder's **latest blog**. He has included some updates on a decision by the school board on playing the national anthem at athletic events. The blog also has reminders about fan participation and responsibilities during games. Check it out!

You can access all of our blogs from this newsletter in the *Connections* section or on our website under the Blogs tab.

## Junior Cougars Can Be Science Explorers!

Junior Cougars explored different tools of science during a very hands-on approach in a Science Explorers assembly last week. CCS will be holding its own Science Explorers club on Thursday afternoons starting on October 20. Ask some of last year's after-school scientists what they learned in Science Explorers! It's a great way to have fun and learn at the same time. Please see the **CCS Elementary blog** for more details about how to sign up for Science Explorers this year!

## Music Boosters

Any parent, whether you have an elementary, middle, or high school student, is invited to be a part of the CCS Music Boosters.

If you have a passion for the Fine Arts and you want to help grow all aspects of the CCS Music Department, please come to our first Music Boosters meeting on Tuesday, October 25, at 7:00 PM in the music room.

## The Cougar Update

Volume 4, Issue 4

September 30, 2016

## Upcoming Events at CCS:
