### COMPETITIVE BIDDING

By pricing your property correctly, we aim to generate the maximum interest in your property. This will create a competitive bidding environment, to achieve the best price possible at the end of the auction.

### RESERVE PRICE

You set the reserve price, so you have total control over the sale and your property will never sell for less than your minimum price.

### EXTENSIVE MARKETING

We will market your property in all the usual ways i.e. you will still get a 'for sale' board, listing on Rightmove, our own website and we'll promote your property to our list of active buyers.

Your property will also be promoted via our partners, who will advertise your property on its auction website and to an extensive database of investors, property dealers and buyers, giving you even greater marketing exposure.

### ALL PROPERTY TYPES

Auctions are not just for run down properties or those desperate to sell, all types of properties can be suitable including vacant residential or commercial properties, tenanted or investment properties and land/development opportunities.

# WE OFFER A NUMBER OF FLEXIBLE WAYS TO SELL A PROPERTY BY AUCTION SO WHATEVER YOUR SITUATION, WE HAVE A SOLUTION AND TIMESCALE TO **SUIT YOU.**

## ONLINE AUCTIONS

Our online auctions give you total flexibility over the sale of your property, enabling you to set a timescale to suit your circumstances. At the end of the auction your buyer will be committed to their purchase by either paying a reservation fee or 10% deposit depending on the type of sale you choose.

## LIVE IN-ROOM AUCTIONS

Through our partnership, we hold over 40 auctions across the country each year. If you would prefer to sell your property in one of our busy auction rooms, we will always have an auction not too far away.

# U

Also known as the traditional auction method, where the purchaser will exchange contracts at the end of the online auction/on the fall of the gavel and pay a non-refundable deposit and reservation fee. Completion is usually set within 28 days giving you and your purchaser certainty of sale.

# C

Conditional auctions are considered to be a more flexible auction method. The purchaser pays a reservation fee to secure the property and is granted 56 days to exchange contracts and complete. By offering a longer time period, this can extend the appeal by giving purchasers the flexibility to arrange a mortgage and can often achieve a higher price than the traditional auction method.

# R

Purchasers are used to paying fees when buying a property at auction. By selecting to sell with no fees, we can charge the buyer a reservation, meaning you keep all of your sale proceeds.

## TESTIMONIALS

“ After going down every avenue available to us to sell our house, and finally going to auction with your company, we were extremely pleased with how quickly things progressed from the outset, and all the help, and advice you gave us throughout. A very professional and friendly company, who were sympathetic to our circumstances.”

**Mr & Mrs R**

“ Thank you for the efficient way you conducted the online sale of my late brother’s house. Not having any experience of an online sale before, I was grateful for the prompt helpfulness and guidance you gave with any of my queries.

After several months sorting out the problems we faced with my late brother’s estate, it was a relief to know the online sale went well and the completion finalised within a month of the sale. ”

**Mr M**

“ We were very pleased with the service provided and with the speed and efficiency of the auction process compared to both the traditional sale process and the in room auction process.

Your partnership provided us with a swift sale for the property and the solicitors you recommended were very efficient in completing within 3 weeks.”
