PEOPLE

I will write these in the order in which they were given to me. The following 20 or so were given by HG or her alters over the years, from 1997 onwards. Most of which have since been confirmed by those we speak of as Pals who have provided many more names in addition.

JOSEPH STEIN aka **Martin**. 2 Brookmead Way, Langstone, Havant. [map](#) (*Believed to be current address*) He was described as HG' s Keeper and he formerly had considerable power over her. Many of her alters were hypnotised to believe they were in love with him and that he loved her, even though he abused her. Most alters are wise to him now. Sue is still

vulnerable. He is still very much involved with trying to get at HG. Can appear very charming but in reality, is extremely sadistic.

JULIE STEIN. was married to Martin. She used to text me frequently and sometimes left answerphone messages on the RAINS phone. I once lifted the phone in the middle and she immediately rang off. I am told that in 2006. she found out that Martin had taken up with another woman and she threatened to expose the group and him. I understand that she was disposed of- no details. Certainly, I have heard nothing from her for a long time. Martin apparently had a cult 'marriage' to the new woman, q.v. in London on 17.11.06.

MATTHEW STEIN. son of Martin and Julie. Have his address as 15 Stamford Ave, Hayling Island, Hants. [map](#) Tel 02392468296. I don't know if this is current.

DON TAYLOR aka Peter. Clinical Psychologist who does hypnosis using blue lights. I have several addresses and phone numbers for him. All in Southampton. 2 University Road Southampton. [map](#) Tel 02380315176 and 02380553433 [Don Taylor and associates ltd \(a\)](#) 02380671558. Also address at 51 Radstock Rd. Southampton. [map](#) But told he may live in Kitchener Rd, Southampton. Website: www.dontaylor.org.uk. I haven't heard anything of him for the past two years or so.

WILLIAM RATTRAY aka James ~ 23 Winterslow Road. Porton [map](#) near [Salisbury](#). 01980610280. Has had below knee amputation of one leg. Uses some sort of prosthesis. Have not heard anything of him for about 5 years. Could be dead.

For the first few years I knew HG, these were the only names she mentioned and appeared to be her main controllers and abusers. Gradually, over the years she started to talk of others. But at that time there were still so many cult-loyal alters who tried to prevent these disclosures.

LES SAUNDERS ~ (died a few years ago) Owned the [Queens head pub Ludgershall, Andover](#). [32 High St, [Ludgershall](#)] Helen lived in caravan in grounds when she was 16, was reintroduced into cult by Les Saunders (had been in children's homes after mother died)

Although parts of his estate, including the car museum are open to the public, there are many other parts that are not. All ceremonies take place at night when the gates are locked. His conclusion was that I had invented the entire story and suggested it all to her, causing her to believe all the elaborate detail she had given us. This finished the police investigation on that case. He later caused considerable damage to a family in LASA, which resulted in both the children being taken away from the entirely innocent mother. She received a scathing reply, of which I was sent a copy, stating that there is no evidence, past or present, that SRA is a reality. He referred to JLF's research and maintained that there were 'myths' in the early 90's resulting in children being taken into care, but as soon as the allegations were dismissed, the children were returned home. PLACES

The following places have been mentioned by either HG or PALS, several by both. Some are places they were taken for punishment or abuse. Others used for ceremonies, policy meetings, or housing prisoners and/or records

PENERLEY LODGE ~ New Forest. [map](#) On Right side of B3056, heading towards. Large squarish, grey, stone building, used mainly for meetings. Used for meetings of Cult members, not Ceremonies [*Hatchet Ln, Brockenhurst SO42 7YP. - April 2016 [Lodge which has played host to countless royals goes on the market for £7.5 million](#)*]

CULVERLEY OLD FARM ~ New Forest. [map](#) Off left side of B3056 heading SW. Gate with cattle grid, along straight drive, the sharp left turn over several more cattle grids to security gates. Can see rambling red brick house and small hexagonal building like a summer-house. HG said equipment for ceremonies stored in this. At the turn of the drive, HG has previously seen doll-like objects hanging in trees, at times of ceremonies. which take place there. (Told it is owned by Vivien Heathcote-Hacker. [*Ownership verified in [this article](#)*])

GREYSTONES ~ Crawley, Hants. [map](#) Dilapidated looking house up a short drive where those attending meetings, can change form of transport & and occupy fewer vehicles. Also used for Cult meetings.

BIDDESSEN HOUSE ~ between [Appleshaw](#) and [Chute](#), NW of Andover. Beautiful Georgian house with a semi-circular drive and 2 gates. There is a low statue below drive as it circles in front of house. Belongs to [Lord Moyne](#), connected with the Guinness family. Ceremonies held there.

BEAULIEU PALACE ~ [Ruined Abbey & Church](#) - [Lord Montagu](#)'s place. Many ceremonies held here or in grounds. Many human sacrifices, often following torture or other punishment. Bodies either buried in New Forest or cut up and dropped in sea, weighted.

CHRISTCHURCH ~ Dorset. Ruined Church by river. Used for gatherings more than ceremonies.

OLD SARUM CASTLE ~ [Salisbury](#). HG underwent very severe trauma in these ruined castle grounds. We went there about 8 years ago. Many memories returned. Both torture and ceremonies took place there.

WETHERSPOONS PUB ~ [Salisbury](#), formerly was called the Town House. Situated near to the river. Used mainly as a meeting place. [*now called [The Kings Head](#)*]

LUDGERSHALL CASTLE ~ small ruined castle on edge of [Ludgershall village](#) in Hants, NW of Andover. HG taken there for abuse and punishment mainly but has attended ceremonies there.

HURST CASTLE ~ Near [Keyhaven](#) in Hants. This is built on a peninsular; a long walk along a sandy strip, but more readily approached by ferry from Keyhaven. This is what Tony, H & I did in summer 2003. In some parts there are hooks and rings attached to the ceiling. HG said she was sometimes hung from these by her feet, naked and then beaten and cut. Ceremonies are also held there.

COPPINS ~ [Iver](#), Belongs to the Duke of Kent. Not sure if used for Ceremonies, or just for meetings of Cult Members, including Policy Meetings. Possibly for meetings of Commanders, in which case, no robes would be worn and it would appear more like a Seminar or Conference.

WEST WYCOMBE ~ [Church with the Golden Ball](#) and surrounding buildings. some of which ruined. This place has been mentioned also by a member of survivors and therapists, including US psychotherapist [Pamela Klein](#). [LCSW](#). [MSW](#). I have been there. It is situated high on the hill above '[The Hell Fire Cave](#)' where the so called '[Hell Fire Club](#)' held meetings. The church has alternating black and white tiles on the floor and it looks more like a Masonic Temple than a church. I am told that ceremonies are still held in the church and nearby ruins, possibly also in the caves.

BLACK PARK ~ West London, [Uxbridge](#). West of M25. [map](#) Ceremonies held there. Has large lake. Pinewood Studios at NE end. HG taken there many times when living in Hillingdon. Not only for Ceremonies; also abuse, 'drowning' torture and other forms of punishment.

BREAMORE HOUSE ~ Near [Salisbury](#) & [Fordingbridge](#). HG has very clear memories of both torture and ceremonies taking place there. She described the house - but didn't know where

it was, or the name of it. Later. Pals told us of it. We went there. The hall has black & white alternate tiles, like a Masonic Temple. She had described a room which has a carved mantelpiece and a large table. We entered this room. The carvings were just as described. There were other parts of the house which she had described but ~ were not open to the public. Owned by [Sir Edward Hulse](#), but no information known about him. [website](#)

[CHARLEVILLE FOREST CASTLE](#) ~ [Tullamore](#), Co. Offaly, Ireland. Steve was taken there for ceremony early in 2007.

CASTLE / HOUSE ~ near [Hawkhurst](#). Kent/Sussex border. **Belongs to Russian Embassy.** Described also by NJ in 1989. **Children were kept in cages.** Ceremonies took place there regularly. [*It is still there & still belongs to Russian Embassy (1) (2) [map](#).*]

[Quoted](#) "There is also evidence of tunnels running from the pub to the Queen's Inn and Royal Oak in Hawkhurst, alternative meeting places." & further down it states - "Seacox House, on the road from Filmwell to Hawkhurst, was built by the gang's first leader, Arthur Gray, with large basement cellars to conceal contraband. The house has since been rebuilt, but is still largely hidden from view and shrouded in mystery and intrigue as a Russian Embassy residence during the Cold War and in the

present day." [source](#) – following on from this I did some more research which [can be read here](#)]

[CHURCH OF ST JOHN THE APOSTLE](#) ~ Marchwood Hants. Both HG and Pals have spoken of this. Things went on in the vault, the gallery and the side chapel. In the front pews next to the main aisle there are carved goats heads at either end. I have photographs of these. HG was punished there many times. [map](#).

The following two places mentioned to me by Pals or HG, between June 2008 and Feb 2010. Other places have been mentioned by various other survivors and will be listed separately

[AMPORT HOUSE](#) ~ near [Ludgershall](#). Belonged to RAF. Was Chaplain's School for Armed forces. Has secret passages & underground rooms. HG offered job there but declined. [*currently the British Armed Forces Chaplaincy Centre (AFCC), is a manor house (GR [SU296440](#))*] [map](#)
