

# LEGO Robotics Camp

**Join us this summer and learn how to program a LEGO Mindstorms EV3 robot to explore mazes and go on missions with your campmates!**

- **June 15, 9 AM-4 PM**
- **Ages 9-14**
- **\$30 per child**
- **Bring your own lunch (snacks are included)**
- **Up to 20 students working in pairs**

**Instructed by high schoolers and adult mentors from *FIRST* Robotics Team 3737 (The Roto Raptors) who recently competed in the *FIRST* Robotics World Championship.**

**Please contact [frcteam3737@gmail.com](mailto:frcteam3737@gmail.com) to sign up and please include your name, age, phone number, and email. Or fill out the section below and return this flyer to your teacher.**
