Saturday events are 10:00am-noon, with workshops beginning at 10:15am.

*What is Shared Work?

Shared Work is when we work together on our shared harvest spaces and general garden maintenance. This includes weeding, mowing, building, planting, harvesting, and more!

**What do I do for potlucks?

Bring a dish (with ingredients from the garden, if you can!) and the recipe to share. Please bring your own plate, cup, utensils, too.

Can I bring friends to these events?

Yes, please!

Do I have to come for the whole time for these events?

No, come for as long as you want to!

Want more events this summer?

Have ideas? Contact Kerstin, Taylor, or Sarah and start planning!
