You may update your PPCS at [www.usfsaonline.org](http://www.usfsaonline.org) up to two weeks prior to the start of your competition. **You will not be allowed to receive your credential at registration until your PPCS is submitted.**

#### D. MUSIC

##### COMPETITION MUSIC INFORMATION (Required component of online registration)

U.S. Figure Skating requires all competitors to fully complete a competition music information form as part of the online registration process. The following information is required for each piece of music used in the composition of the short program/dance and free skate: composer, orchestra, duration of music, record label/number (optional but highly recommended if obtainable).

##### COMPACT DISCS (CDs)

For all qualifying events during the 2015 season, CDs are the only acceptable media. CDs must be:

- Clearly marked with name (last name, first name), event entered and the music time/length.
- **Each CD must have only ONE (1) track on it. In the case of a short program/dance and free program, two (2) separate discs must be used.** Any disc with more than one (1) track will NOT be accepted!
- Lead in time (time before the music begins) on CDs may not exceed two (2) seconds.
- **Due to compatibility and reliability reasons, music may NOT be submitted on re-recordable "CD-RW" discs.**
- Each CD must be turned in - in a paper CD sleeve with a see through window (obtainable at any office supply store), also labeled with the skater's name and event. Standard hard plastic jewel cases or other CD holders are no longer acceptable. CDs that are not properly identified will NOT be accepted.

Competition music must be turned in at the registration desk at the time of registration at Regional's (or Sectional for events that do not compete at Regional's). Competitors will not receive their

## 2015 Regional Figure Skating Championships

credentials at registration until they turn in their music. The originals will not be kept and forwarded on from Regionals to Sectionals to US Championships; rather the Music officials will make digital copies at each event to pass the music up to the next level of competition. The music CD's will be returned to the competitors at the end of their final event. Each competitor that qualifies for Sectionals or the 2015 U.S. Figure Skating Championships will be required to bring CD copies to the next event as backup.

Skaters receiving byes to the U.S. Championships are required to email their competition music no later than one (1) month (Thursday December 16, 2014) prior to the start of the U.S. Championships to the following email address:

Pete Zurlinden  
U.S. Championships Music Tech  
pzurlinden@sbcglobal.net

All competitors must have at least one (1) additional CD copy rink-side at practice sessions and during the actual competition event. Skaters receiving byes must also bring CD copies of their music to the event as backup. The LOC will accept no responsibility for damage or loss. CDs not picked up by the end of the competition are not the responsibility of the LOC and will not be returned to the competitor.

### **E. SEEDING AND QUALIFYING ROUNDS AT REGIONAL CHAMPIONSHIPS**

Any skaters who are added to an event due to unforeseen circumstances will be added to one of the groups (which group will be at the discretion of the chief referee) up to 24 hours before the start of the first qualifying group in that event. No reseeding or reassignments between groups will be made after the competitors are notified of their qualifying groups. Posting of the start order will be on the LOC website or the arena. The official schedule of events will be posted at the competition.

### **F. OFFICIAL BULLETIN BOARD/EVENT WEBSITE**
