This was our first year using SignUpGenius to coordinate volunteers for our...swim team season. We absolutely loved it. It was so easy for volunteers to use and gave our coordinators the tools they needed to effectively manage the 240 volunteers for the multitude of activities throughout the 5 month season.

Lisa Spitz - Carmel, IN

I just coordinated a giant rowing event using your site. I was able to manage the 142 volunteers quite effortlessly thanks to you all! The event went beautifully! I was able to email the folks I needed to easily and the reminder email was perfect. Thanks for creating a really wonderful site.
