

Game Title: Medieval Golf Screen Shot:

Website/link to game: <http://cache.armorgames.com/files/games/medieval-golf-2930.swf>

Recommended platform specs: Windows XP, Pentium 4, 256MB ram
10GB HD, Internet browser access, 1024x768 screen resolution

Input device requirements: One button and a pointing device.

Game setup difficulty: Low

Genre: Arcade

General Description: Medieval Golf is a gold game where the golf clubs are replaced with bows and arrows with golf ball tips on the arrows. One can choose between a range of bow sizes for getting different length shots as you would with clubs in a game of golf.

The game is fairly easy to master and doesn't require fast timing or precise use of game controls.
