

Documentation of Student Interest for the Formation of Lakes & Bridges Charter School

Lakes & Bridges Public Charter School is a proposed school focused on educating children in South Carolina with dyslexia and related learning disorders. Based on the information provided to me by members of the Lakes & Bridges Charter School Charter Committee, I would enroll my child(ren) for the 2018-19 school year.

The grade(s) of my child(ren) who would enter the school the 2018-2019 school year:

| <input type="checkbox"/> 3 rd | <input type="checkbox"/> 7 th |
| <input type="checkbox"/> 4 th | <input type="checkbox"/> 8 th |

I understand this form in no way guarantees enrollment. If more applications are submitted than space allows, a lottery will be held to determine enrollment. I understand this form does not become part of the charter school application's public record, and law does not require my personal information be shared.

Please include me in newsletters and updates about the school.
