Feeding Laramie Valley

A Collaborative Pathway Model

Legend

Important realities in Albany County, WY:

- High rate of food insecurity
- Geographic isolation
- Short growing season
- Challenged soils and water availability
- Prevailing and inaccurate myth that food cannot be grown in Albany County, WY

Model from Netway on 8/30/2016

The work of Feeding Laramie Valley has been partially supported by the Food Dignity project (Agriculture and Food Research Initiative Competitive Grant no. 2011-68004-30074 from USDA National Institute of Food and Agriculture (www.fooddignity.org)). The Food Dignity project supported Collaborative Pathway Modeling by Monica Hargraves and Cecilia Denning with the community partner organizations as part of the action research.
