Hawks GOLD

Hawks GOLD youth baseball program consisting of seventeen (17) travel baseball teams from ages 7 to 16 years of age. These boys participate in the KVBSA (Kensington Valley Baseball and Softball Association) and compete against teams / players from all over the state of Michigan. In addition to league play, we will participate in several tournaments against teams from all over the Midwest.

We have selected these boys based not only on their athletic ability, but more importantly on their character, school grades and their commitment to hard work to achieve certain goals. Our objectives as coaches and parents are to help them develop their baseball skills, teach them life lessons and help them grow into quality young men.

As an organization we are attempting to prepare our baseball fields to play our home games. Three of our baseball fields are located in Howell, Hartland and Whitmore Lake, MI. The fields are in continuous need of upgrade. From this reason we are seeking assistance from businesses to recondition the field in exchange for sponsorship recognition. Some of the upgrades /repairs include the resurfacing of the infield and baseball equipment.

On behalf of the Hawks GOLD players, we are requesting your support. Your kind financial donation will be welcome at any level and will all go towards the support of the player that has sought your sponsorship, the team he plays for the organization that represents these teams. In return for your donation, I have an attached flyer illustrating the various levels of recognition your business will receive.

I want to thank you in advance for your consideration and donation. If you have any questions or would like to discuss any further matters, please feel free to call me at hawksgold@outlook.com

Please make checks payable to "Hawks GOLD".

Sincerely,

David Piesko & Barry Forcia
