To Our Creditors

Enclosed with this letter is a formal notice indicating that Netlink Computer Inc. ("Netlink") has filed a Notice of Intention to Make a Proposal ("NOI") under the provisions of applicable legislation. This was a necessary step initiated to ensure the ongoing viability of Netlink's business. We also want to let our stakeholders know that Netlink is entertaining a possible sale process aimed at ensuring stable long term ownership is put in place.

Unfortunately, as a result of the filing of the NOI, Netlink is not in a position at the current time to fund pre-existing payables and financial obligations and, in this regard, we ask that you be patient as we work through the NOI period and the possible sale process. Our expectation is to emerge from this process as a strong, sustainable business.

If you have any questions about the current situation or go forward arrangements, please contact Steve Wu, who will be able to assist you.

Your support through this next period of time is greatly appreciated.

Yours truly,

Steve Wu
