

ELITE HARMONY®

Product Summary

Elite Harmony comprises an extraordinary “elite group” or blend of therapeutic grade essential oils that addresses all the frequencies of the body. The blend of over 20 oils creates a synergy that is effective in both the prevention and management of autoimmune syndromes. This is achieved by balancing the emotions and the many systems of the body (immune, circulatory, digestive, and neurological) so they work effectively and efficiently...together.

Think About It

When the body is bombarded to the extent that it can no longer resist or fight against the attacks of viruses, bacteria, mold, yeast, fungi, and parasites—it is left vulnerable to autoimmune syndromes. A healthy body can counter these attacks—emotional or physical—and maintain homeostasis. If attacks persist and erode away balanced, healthy emotions, brain, heart, digestive system or any other part of the body—a domino effect occurs. One area of imbalance puts stress on the backup organs, glands, and systems of the body. One by one they become overworked, tired, and imbalanced. One or two minor symptoms that were once tolerable grow into a long list of complaints and chronic life altering syndromes. These and many auto-immune syndromes are the result of many layers of stress and imbalance. It is for this time that an elite course of therapy is necessary. Elite Harmony is the designed formula that contains therapeutic frequencies that address the various levels of imbalance and stress. In this manner it supports the body as a whole and elevates the survival standard of a depressed and dysfunctional immune system.

Key Ingredients

The Elite Harmony formula is 20% Black Cumin, 20% Immune Harmony®, 20% Sore to Soar®, 20% Present Moment®, and 20% Heart Harmony®. This combination creates a powerful synergy that supports the whole body—body, mind, and spirit. **Black Cumin** promotes a healthy digestive system, nourishes the blood, and calms, balances, and regulates the immune system. **Orange** and **Tangerine** reduce the stress response. **Lavender**, **Rose Otto**, and **Ylang Ylang** are several that relax and calm. **Tea Tree**, **Thyme**, and **Cinnamon Bark** work to support the immune system with antibacterial, anti-viral, and antimicrobial properties. **Blue Tansy** calms the nervous system works to detoxify the liver and lymph system. **Petitgrain** balances the nervous system, respiratory system, and cardiovascular system. While **Peppermint**, **Rosewood** and **Jasmine** are just a few to calm, yet uplift the brain and emotions.

Elite Harmony available in 5ml and 30ml bottles

VerVita®

Primary Benefits:

- ✓ Elite Harmony is the broad-spectrum essential oil to choose when one is overwhelmed with multiple symptoms and syndromes.
- ✓ Elite Harmony counters the serious effects of viruses, bacteria, mold, yeast, fungi, and parasites that can result in autoimmune syndromes.
- ✓ Elite Harmony is an excellent preventative in “sick environments” and during the “cold and flu season”.
- ✓ Elite Harmony’s combination of anti-bacterial and detoxification properties makes it useful as a daily hand sanitizer.

How to Use

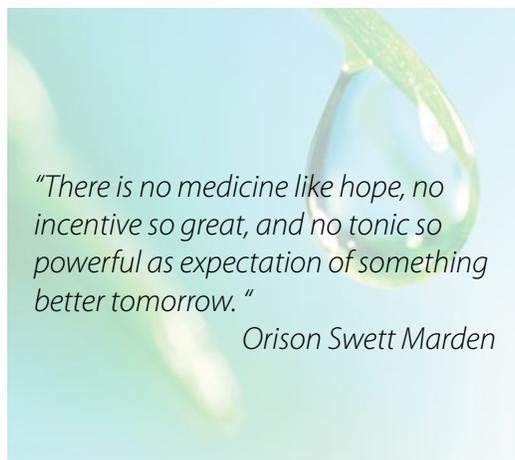

(Choose one or more of the following methods):

- ❑ Apply one drop of Elite Harmony on the bottom of feet and palms of hands (as a hand sanitizer) or preventative measure in unhealthy environments or during “cold and flu season”.
- ❑ Apply one drop of Elite Harmony on bottom of feet, palms of hands, and on spine over 8th dorsal several times per day to support and enhance a stressed immune system.
- ❑ Babies and small children—put 1 drop of Elite Harmony on the bottom of each foot.
- ❑ Therapeutic Massage: blend Elite Harmony with massage oil or lotion and massage into feet.
- ❑ Foot Bath: Soak the feet above the ankles in warm water with Elite Harmony and natural Epsom salts for 30 minutes to bring the body, especially the immune system back into balance. The amounts may vary according to severity of symptoms and syndromes. Range: [Light relief – 20 drops Elite Harmony and 1 lb Epsom salts] to [High Relief – 30mg Elite Harmony and 3 lbs Epsom salts]
- ❑ Spa Bath: Soak entire body in a warm water spa bath with 1 oz (30 mg) Elite Harmony and 10 lbs natural Epsom salts for a minimum of 30 minutes. For release of intense and chronic situations, work up to 30 mg Elite Harmony over the course of several (4-6) baths, starting with drops.
- ❑ Do the foot bath or spa bath after you have eaten. Have a relatively full stomach.
- ❑ In a foot bath or full spa bath the body will absorb the essential oils and release the toxins. Occasionally one may experience a burning sensation on the skin as toxins release. The more toxins, the more burning sensation. If this occurs, the therapy is already complete. Stop the bath, shower off and resume with a fresh bath at a different time using less essential oils and more Epsom salts. Some have needed up to 15 pounds Epsom salt to draw out and neutralize toxins. A slower release and balancing is just as effective.

Therapeutic Grade Essential Oil Safety

Keep out of reach of children. Use caution when using oils with children and give children only the gentlest oils at extremely low doses. It is safest to consult a qualified healthcare practitioner before using oils with children. If you are pregnant, nursing, taking medication, or have a medical condition, consult your healthcare practitioner prior to use. A skin patch test on the inner arm is recommended prior to using oil that you have never used before.
