Donation Matching/Corporate Gift matching

Many companies have programs through which they will "match" the charitable contributions made by their employees. Through corporate gift matching, your employer can multiply your gift to OUF, making it go further. Check with your company's Human Resources office to see if they offer gift matching. (If they don't, you may want to ask your company to start one.) If your employer does offer this program, your Human Resources department should provide you with a matching gift form to send to OUF or contact OUF themselves. Our Donor Services office will verify receipt of your gift and return the form to your company for matching funds.

Conditions and criteria for gift matching vary by employer. Some companies offer a payroll deduction plan. For more information or if you are not sure if OUF qualifies for your company's gift matching program, call us at (503) 997-2007 or email is at donations@theoneummah.org, and we'll be glad to send information about our mission and programs.
