**OVERVIEW**

Located in the heart of the Cass Corridor adjacent to arenas, music venues and more, the Detroit taproom is our way of reaching our fans on the east side of the state while remaining firmly rooted in Michigan. Inspired by our love of Motown and our belief that it is one of the best cities in the USA, the taproom has that Founders feel, but with an authentically Detroit attitude. Come on in for our Detroit-inspired fare, taproom exclusives brewed onsite or book a private event in our Barrel Room.

**MENU**

Taking notes from our Grand Rapids' taproom deli, but with its own distinct attitude, our Detroit menu is filled with handcrafted sandwiches, appetizers and more.

**MUG CLUB**

There will be 800 spots available to reserve for our Detroit Mug Club beginning on November 28, 2017 at 11am via this link:
