GET THE POINT

Preschool/Elementary: God doesn't give up on his people. God won't give up on me.

Middle School/High School: God punishes, instructs and guides his children to help them grow more like him.

TABLE TALK

Preschool/Elementary

- Israel and Judah followed other gods and ignored the one true God. The sins of the people of Israel caused God to allow them to be taken to Assyria. The prophet Isaiah warned the people of Judah about what would happen if they continued their bad decisions. He told the people the truth, even though the truth was difficult. Have you ever told the truth, even though it was hard?
- Have you ever stopped a friend from making a bad decision?
- What did you say or do to change your friend's mind?
- Why is it so important to always speak the truth?

Middle/High School

- Isaiah's name means "God to the rescue." What does your name mean? (Parents share with your children how you chose their name.)
- Isaiah tried to rescue the people by telling them God's truth. What would you have to do to live up to your name?
- How does it feel when people try to change you by telling you things that you're doing wrong?
- Is it easy to take advice? Is it easier to follow if you know it's from God's Word?
 - What is the best way to share difficult truths with people?

Living Faith

God gave Isaiah great insight to write about the future and the coming of Jesus the Messiah. Test your ability to predict the future by playing this game as a family. All you need is a coin. Have family members pair up. If there's an odd number of people, the person who sits out automatically wins and advances to the next round. Have one person flip and the other person call "heads" or "tails." The winner is the one who guesses the best three-out-of-five flips correctly. Continue playing until there is one grand champion. When you're finished, read this:

The book of Isaiah is filled with prophecies about Jesus.

- Isaiah 7:14 says Jesus will be born of a virgin.
- Isaiah 35:5-6 says when Jesus comes the blind will see and the deaf will hear.
- Isaiah 53:12 says Jesus will die with criminals.

There are more than ten different prophecies recorded in Isaiah. The chances of guessing a flipped coin correctly are 50%. That means you have a 1 in 2 chance of being right. Mathematician Peter Stoner figured out the chances of one man in all of history fulfilling just eight prophecies. The probability is 1 in 1017, or a 1 with 17 zeroes behind it. Stoner wrote that if you took 100,000,000,000,000,000 silver dollars and put them in Texas, it would cover the state two feet deep. "Now mark one of these silver dollars and stir the whole mass thoroughly," Stoner says. "Blindfold a man and tell him that he can travel as far as he wishes, but he must pick up one silver dollar and say that it is the right one. What chance would he have of getting the right one? Just the same chance that the prophets would have had writing eight prophecies and having them all come true in any one man." Jesus is truly amazing. He didn't fulfill just eight prophecies written hundreds of years before his birth--he fulfilled nearly 50! That's an awesome God. It didn't happen by chance. It was all part of God's plan.
