

Overnight Packing List

This is a suggested packing list for a one-night program.

Please add or subtract items to meet your group's length of stay and specific needs.

**Clothing at camp is casual and comfortable—please bring clothes that you can move around in and that you don't mind getting dirty.*

**Also, we recommend that you bring extra layers of clothes, as nights at camp can get cool and often an extra change of clothes is helpful after an active, outdoor day.*

**For the weather, go to www.weather.com, type in Rhinebeck, NY 12572. We have plenty of indoor activities; programs continue rain or shine.*
