i-VTEC ENGINE

1.5L i-VTEC engine –
Maximum power: 120PS
[88kW]/6,600rpm
Maximum torque: 145Nm
[14.8kg-m]/4,600rpm

CONTINUOUS VARIABLE TRANSMISSION (CVT)

With Honda's Earth Dreams Technology™, the CVT balances the City's environmental impact with the thrill of a sporty drive.

ECON MODE

Enjoy smooth driving with improved fuel-efficiency with a push of a button.

The City features a powerful 1.5-litre i-VTEC engine with Continuous Variable Transmission (CVT). Utilising Honda's Earth Dreams Technology™, you will be pleased with the smooth acceleration and fuel economy of 17.56 km/L*, for a better environment and you.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

*Based on ECE R101

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available. Actual model may vary in detail from image shown.

The POWER TO CONTROL

With a range of features, form and function merge seamlessly, so you can enjoy a more convenient and entertaining ride. You will find an arsenal of switches and buttons within reach, making control easier with just a push of a button.

TOUCH PANEL AUTO AIR CONDITIONING

This fully automatic air conditioner is controlled by an electrostatic touch panel, providing an intuitive interface for a better feel.

8-SPEAKER AUDIO SYSTEM

Enjoy your favourite tunes in a complete, high quality surround sound system.

HANDS-FREE TELEPHONE STEERING SWITCH

Accept or reject calls hands-free, safely.

PUSH START BUTTON

Easy ignition for your convenience.

7" DISPLAY AUDIO

A built-in 7-inch touchscreen with smartphone style apps, designed to awaken enjoyment at the touch of your fingers.

HDMI CONNECTIVITY

Mirror apps from smartphones via HDMI cable.

CALL FUNCTION

Speed dial to make calls via Bluetooth sync.

SIRI EYES FREE MODE

Enables compatible smartphones to connect to Siri and perform tasks.

REAR AIR CONDITIONING

Relax comfortably with the Rear Air Conditioning that cools and soothes.

STEERING AUDIO SWITCH

Control your favourite tunes with ease.

The *POWER* OF *A VISION*

Honda's vision starts with the

“H DESIGN”

concept that centres around the driver and passengers.

Enjoy great rides with the Dark Ruby Red Pearl City as it takes you further than ever before.

536-LITRE TRUNK CAPACITY

The trunk space is much more spacious than it looks. Its large 536-litre (based on VDA method) capacity can easily fit up to four 9-inch-wide golf bags.

CABIN SPACE

Plush and largest in its class, with roomy cabin space and rear legroom for complete comfort.

60:40 FOLDABLE SEATS

More space with the rear foldable seats which can be folded up to a 60:40 split as an extended luggage area.

GLOVEBOX

CENTER CONSOLE STORAGE WITH ARMREST

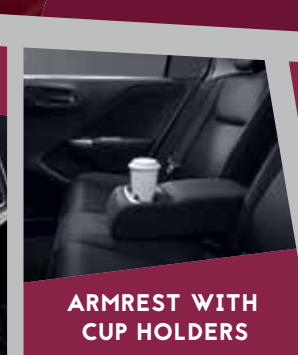

3 POWER SOCKETS

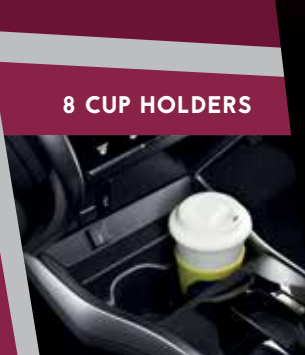

2 USB PORTS

MOBILE POCKET

ARMREST WITH CUP HOLDERS

8 CUP HOLDERS

The *POWER* OF *SPACE* AND *COMFORT*

The City's stylish interior promises comfort as you step into one. Its class-leading large cabin space is filled with smart features for all your essentials.

Advanced safety features protect
and offer you peace of mind.

The *POWER* TO *KEEP YOU SAFE*

G-CON
G-FORCE CONTROL TECHNOLOGY

Honda's G-CON technology impact absorbing structure, minimises injury to passengers in the event of collision.

Technologies for minimising injuries to occupants

Technologies for minimising injuries to pedestrians

Collision Safety Body

Controls forces exerted on the car body upon impact and helps reduce injuries to occupants.

Occupant Restraint System

Controls collision force transferred from the car body to occupants (through use of seatbelts and airbag systems), thus helping improve protection performance and minimise injury.

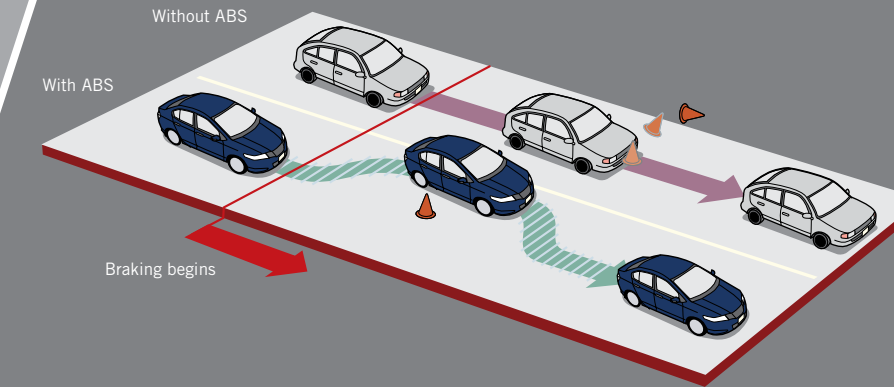

Pedestrian Injury Reduction

Controls forces (G) transferred upon impact from the car body to pedestrians and helps reduce injuries.

6 AIRBAGS

Advanced safety feature which include Dual Front SRS Airbags with Side Curtain Airbags. The i-Side airbags is designed to further maximise protection for driver and passengers.

Specifications may vary in detail from images shown and are subject to change without prior notice. Features also vary according to the different variants available.

ANTI-LOCK BRAKING SYSTEM (ABS)

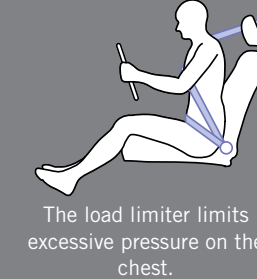

The ABS helps prevent the wheels from locking in emergency braking situations and on slippery road surfaces. It increases vehicle stability and control during deceleration to help you avoid accidents.

ISO FIX

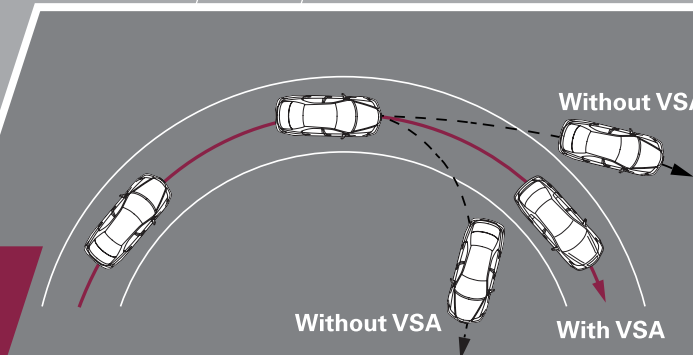

The City is equipped with ISO Fix - the international standard for attachment points of child safety seats in passenger cars.

REAR 3-POINT ELR SEAT BELTS WITH PRETENSIONERS & LOAD LIMITERS

VEHICLE STABILITY ASSIST (VSA)

When driving in unexpected situations or during tight cornering, the VSA system stabilises the vehicle by reducing under/over steering.

EMERGENCY STOP SIGNAL

The rear brake lights and hazard lights automatically flash when the City detects sudden braking at unexpected road conditions or situations as to warn nearby cars.

HILL START ASSIST

Helps to prevent the City from rolling backwards when the brakes are released on an incline.

Honda Genuine Accessories

Modulo
HONDA CUSTOM PERFORMANCE

MODULO PACKAGE

TRUNK SPOILER

Complements the City with an extra bold edge.
