

PTA Minutes 10-2-14

Accomplished:

- 55 School Mall booklets have been turned in
- Met with Mrs. Sato to discuss recess equipment and use of our Fire Up Your Feet winnings. We plan to purchase volleyballs, soccer balls, and possibly more pending approval from district.
- Placed orders for supplies: movie nights, Box Tops and Labels for Education parties, Family Reading Night, etc.

PTA Shirts:

The teal color that has been voted on will not be available from our current company. We will look into other companies or into supplying our own shirts to the current company. We still need to design a logo.

Fall Festival: ([Nov. 14](#))

- We need command volunteers to help with set up and breakdown ([1-2pm](#) and [8-9pm](#))
- We have voted to do another pre-order drawing to win extra tickets
- We will be raising the cost of the PTA rock wall to help cover our cost this year (possibly to 4 tickets-\$2)
- We will be renting chairs (about 30) for seating at this year's festival and need a few tables to borrow

Lego League:

Our Lego League contribution has been budgeted at \$75. They requested it be raised to \$100 and we voted in agreement. We will not be supplying the drinks this year.

Original Works:

[October 14th](#) we will be putting together the packets to be sent home. We have enough volunteers signed up.

Evening Meetings:

Do we want to have informal PTA gettogethers in the evenings? How often? Where? An option discussed was to do it in conjunction with other school events like our quarterly family nights. We will talk more about it and possibly vote at the next meeting.

Holiday Assembly:

This year's assembly will be for students only. Do we want to do gifts for the students?
Suggestions: candy cane/reindeer craft, pencil, crayons
We will check prices online and vote at our next meeting.

USO Coffee Drive:

Cub Scout Pack 442 has asked for our school's help in collecting donations of bagged coffee for the USO. We voted in favor of helping. Donations can be dropped off in the blue PTA basket in the office.

Car Rider Line:

It was brought up that parents are parking in the pick up spots along the sidewalk and waiting. This area is only to be used while actively picking up or dropping off students. If your children are not there waiting, please circle around and come back through the pick up area. This will help to speed up the process. A reminder will be posted in the next school bulletin and staff will ask MPs to help enforce the pick up and drop off procedures. Some members mentioned getting parent volunteers to help.

Guidelines:

Do we want to revise our guidelines in our Facebook group? Voted in agreement to keep guidelines as is.

The next PTA meeting will be [Thursday, November 13th at 1:00pm](#) in the school library
