ANSONIA - Saturday's Fire Engine Super Soaker at Nolan Field put smiles on the faces of kids and grownups alike.

The weather was perfect and the successful soakfest spurred a social media frenzy of photos posted during and after the three-hour event.

Kudos go to the City of Ansonia, *Orange You for Ansonia*, and Charters Hose volunteers who brought Engine #1 to cool down the community!

It no doubt made for a super fun summer memory for all involved!
