

Derby students recognized for academics, leadership, and community service

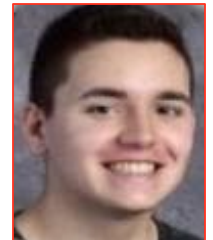

DERBY □ The Connecticut Association of Public School Superintendents (CAPSS) has developed a student award program to provide superintendents with the means of aligning themselves with their students.

The program awards students based on community service and service to others; academic prowess (relative to ability); and leadership service to the school community. The Superintendent/Student Award Recognition Program is designed to allow Superintendents to move beyond the academic achiever who routinely receives recognition.

Superintendent of Schools Matthew Conway was proud to recognize four Derby students with this prestigious award at the CAPSS 32nd Annual Student Award Banquet Thursday at Grassy Hill Country Club in Orange.

Derby High School seniors Christian Olenoski and Nailah Huq received awards, along with Derby Middle School students Zachary Banores and Nikita Khanna.

Board of Education member Dan Foley, Principal Martin Pascale, and Principal William Vitelli also were present to honor the students.

This is a press release from Derby Public Schools.

Shelton Historical Society tour of refurbished Brownson House

Photos by Allegra Villers

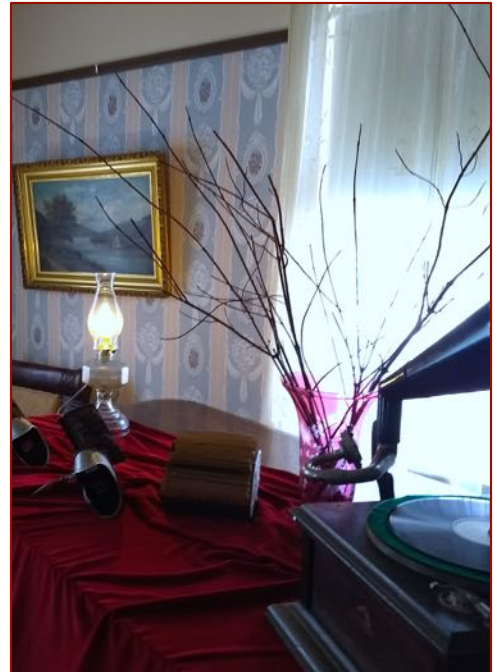

SHELTON - The 1822 Brownson House is located at the Shelton History Center, 70 Ripton Road.

It sustained major water damage in late October of 2015 when a storm tore a tarp from the roof, which was under repair, and rain flooded the house.

Now returned to its former beauty, the house is decorated for the Christmas season, and on Sunday the Society offered free tours.

New Ice Rink to open in Ansonia
Ansonia Public Works is finalizing the installation of the ice skating rink at Linett Park as part of the upcoming Winter Playground.
The 75'x65' [4,875 square foot] rink, when frozen, will accommodate ice skaters of all ages.
