

## The Ruffugees Foundation 2018 Grant Program

The Ruffugees Foundation grant funds are available for the transport and relocation of homeless animals at risk of euthanasia out of their current facility and into a no-kill facility. Transportation must be for animals in danger of euthanasia who have a commitment to a no-kill shelter, no-kill rescue or no-kill sanctuary. At this time, grants may be awarded up to \$250. Funding is available on a rolling basis.

### Eligibility:

- Must be a non-profit animal rescue, non-profit sanctuary or a municipal/county/government-funded animal shelter in the U.S.
- Animal(s) at the center of the grant application must be in danger of euthanasia at their current facility due to overcrowding **AND** must have a commitment from a no-kill facility.
- Facility incurring the financial costs of the transport must be the facility that applies for funding.

### Grant funding may be used for the following:

- Transportation costs such as gas
- Vehicle rental
- Transport staff
- Transportation preparation vaccines
- Approved transportation crates/carriers/bedding/water bottles

### Requirements:

- Applications must be completely filled out and accurate.
- After submission, organizations must announce their application, the animals they are transporting and tag The Ruffugees Foundation in the post on social media.

Notification of award will be sent out by e-mail and the organization will receive grant award via PayPal or via a check in the mail within 10 days after notification.
