

Position: Food & Health Fellow

Posting Date: March 2019

Start Date/Positions Available: Late-May 2018, 25 Positions Available

POSITION SUMMARY

Eastern Market Corporation (EMC), the 501(c)(3) non-profit that manages and promotes Eastern Market on behalf of the City of Detroit, operates seasonal farm stands and tasting stations to improve access to healthy, affordable, and culturally appropriate food. EMC also distributes information and provides food assistance programs such as SNAP, Double Up Food Bucks, WIC Project Fresh, Senior Market Fresh, and Fresh Prescription at the Eastern Market and at Farm Stand sites.

Food & Health Fellows will provide operational support to these programs:

- **Eastern Market Farm Stands** sell produce at small farmers markets, community, corporate, and healthcare sites. Fellows will be responsible for purchasing, storing, transporting, displaying, and selling produce at each Farm Stand site. This portion of the job is labor intensive with long, fun days outside on your feet lifting and carrying supplies and produce.
- **Eastern Market Tasting Stations** set up nutritional education tables inside grocery stores to engage customers in conversations about healthy eating. These tables will also feature food samples and corresponding recipe cards.

The Food & Health Fellow opportunity is a seasonal (June - October) part-time position requiring a 20-25 hours per week commitment as well as a weeklong training in May. EMC expects to build a 25-person team who will learn from and engage with a variety of experts and organizations working to build a more inclusive, resilient, and robust regional food system.
