2018 PASSPORT TO INDY’S BEST GLOBAL CUISINE

Specialty Sweets, Groceries and Event Halls

6TH EDITION
The International Marketplace Coalition has established the International Marketplace District as a global destination within the city of Indianapolis. This not-for-profit organization has been a leader in fostering economic development through partnerships with the community and with local businesses; and these partnerships are resulting in the revitalization and recognition of a neighborhood that Indianapolis treasures.

Through marketing initiatives, grants, and beautification projects among other things, the International Marketplace Coalition has created a way for Hoosiers to experience the world without the travel. Known for its cultural retail and dining, the International Marketplace District also hosts events and programs, giving Indianapolis residents the chance to truly taste other cultures—from music, to food, to shopping. Regardless of our national origin or our cultural heritage, Indianapolis is one city, where we can share experiences and learn from each other. The International Marketplace Coalition and their efforts have been an essential part of fostering a global city.

You don’t have to travel around the world for treasures—whether you’re craving a delicious Peruvian meal or looking for authentic African clothing, you’ll be able to find it in the International Marketplace District. Indianapolis is proud to give our citizens global experiences through an area so rich in culture and authenticity. The International Marketplace Coalition is truly a gem within the City of Indianapolis.
MAGGIE LEWIS
City-Council/IM Board Member

I applaud the visionary work of the International Marketplace Coalition. Because of the commitment of hundreds of volunteers, business owners and community leaders, the International Marketplace has quickly developed into a global destination within our city. I am especially proud of the efforts of the International Marketplace Coalition because like many of you, this particular part of our community is where my family and I call home.

It is exciting to witness the transformation of the 38th Street corridor. For many years the streets were lined with automobile dealerships, commercial businesses and limited entertainment and dining options. Since adopting the special resolution in 2012 to establish the International Marketplace, we have witnessed the creation of one of Indianapolis’ most vibrant neighborhood districts offering residents the opportunity to travel around the world without leaving our city.

I encourage you to take time out and experience all that the International Marketplace has to offer. If you have ever wanted to travel around the world but didn’t know how you could find the time, spend a day in our District. You won’t need your passport for this trip around the world – it exists right outside your front door.
Mary Clark
Executive Director, IM Coalition

Welcome to Indy’s International Marketplace! With more than 150 different languages, 80 ethnic restaurants, 40 different grocery stores in addition to hundreds of ethnic businesses, the International Marketplace serves as the place where the world meets. On the northwest side of Indianapolis, the International Marketplace welcomes all and encourages everyone to travel the world without leaving the Circle City.

During the last year, we’ve made many changes to continue developing the area. When you drive down 38th Street and Lafayette Road, you will see utility poles painted to symbolize the countries represented in the International Marketplace.

This year, after many years of work, you will begin to see major changes completely changing the landscape of the International Marketplace. One of the most exciting aspects of growth is more than $176 million of new development leading to more than 2,000 jobs created and an invaluable impact on our community.

Some of the major development projects include:

• An Indianapolis Marion County Public Library branch
• A new state-of-the-art YMCA
• Pyramid at 3500: A new senior housing complex including 130 apartments
• Hanna International Lofts: A new mixed-use apartment building
• The Global Village
• An Ivy Tech Community College annex
• Indiana Achievment Center

Visually, traffic signal boxes will be painted to showcase monuments from different continents. Colorful murals will begin to feature the vibrant faces, rich fabrics and savory food that make the International Marketplace a cultural destination.

Food brings everyone together and we welcome you to join us throughout the year to experience the culinary richness of the area.

Experience a taste of the world by dining with us during our:

• Bi-monthly Lunch Tour series
• Annual Taste the Difference Festival (Saturday, Oct. 20)
• Savor the International Marketplace restaurant week events (May 6 – 20 and October 21 – November 4)
• Ethnic Eats Dinner Tour in conjunction with the Indiana Historical Society
• Awards Dinner
• International Arts Show
• Food Truck Mondays (coming soon!)

The success and growth of Indy’s International Marketplace is only possible with the hard work and dedication from my team at the International Marketplace Coalition; our Board of Directors; City, State and elected officials in addition to the many, many volunteers who understand the vision and selflessly give their time, energy and talents.

We welcome you to travel the world with us and explore what makes the International Marketplace a place to eat, a place to shop and a place to be. Enter as a guest but leave as a member of our family.

Eskenazi Health is committed to offering healthy and fresh food choices that are rich in flavor and budget friendly. Downtown campus dining locations include Café Soleil, a sit-down restaurant that offers a contemporary American menu, including soups, salads, sandwiches, wraps, BBQ, a full salad bar and more. Café Soleil is also open for Sunday brunch. Additional dining locations include the Ingram Micro Mobility Marketplace, Starbucks and Café Soleil Express, in addition to an off-campus location, Café Soleil Express at Eskenazi Health West 38th Street, located at 5515 W. 38th St.

Eskenazi Health proudly features food and products sourced from local vendors and is approaching 40 percent Indiana procurement.

For more information, including hours of operations, please visit [www.EskenaziHealth.edu](http://www.EskenaziHealth.edu).
