EVERY CHILD

"Education is the most powerful weapon which you can use to change the world."

NELSON MANDELA

MISSION/APPROACH

The deeply pervasive poverty in the world can feel overwhelming. So overwhelming that the natural response for most is to do nothing because we don't know where to start or because small graces can feel inadequate. Nourish Every Child is founded on the concept of

We believe every child in the world deserves to be nourished in mind, body and soul.

the ripple effect. Every generous act (regardless of size) matters and makes a difference in ways we can not begin to comprehend.

We believe in providing education and nutrition, one child at a time, breaking the cycle of poverty and providing children with hope for a full life. Each child is carefully selected and registered in a government approved educational center with certified educators and provided a nutritious mid-morning snack, mid-day meal and drinking water.

A WORD FROM OUR FOUNDER

Did you know that **80%** of children placed in orphanages in Haiti have living family members? Most children are relinquished to orphanages because their families are unable to feed them.

Nourish Every Child is continuing to focus on orphan prevention, one child at a time.

It is with great honor that we share with you our 2017 Annual Impact Report. The report highlights the growing number of children our programs are serving and the impact Nourish Every Child is having combating the Haitian orphan crisis.

In 2017, our program grew from **76** to **132** children. These children were able to stay in their homes with a family member or caretaker, while receiving a high-quality education and a nutritious meal every day. With the support of our generous donors, we were also able to send **20** students to a summer English intensive program where they were able to continue to receive a meal a day.

Our plans for 2018 include increasing the number of sponsored children to 162 and funding a summer nutrition program for all our students.

With your continued support, we will work tirelessly with the people of Haiti to break the cycle of poverty. In return for your support, we offer you commitment, transparency and results.

With gratitude,

Jennifer Burns

2018 PROJECTED OPERATING BUDGET

Our projected budget for 2018 is on track to drastically minimize operating costs. We want every possible dollar to be funneled back to the children so we can continue making a difference and supporting their education.

2017 BUDGET RECAP

Our one-time startup costs have set us on a clear path to enable us to support our outreach efforts and make 2018 our best year yet.
