Dear JTC,

The people of Uganda are a gracious people that love God and deeply appreciate the help that is given. I will be honest...the needs were so severe in every area I was totally overwhelmed. I could not see how I could be of any help to such a desperate need. But I have experienced how Texas folks are...they are givers...and together we are making a tremendous difference in children's lives! Please pray for your sponsored child. I firmly believe these children's lives can be changed through not only the financial help they receive but through prayer. Thank you again for being a part of a child's destiny!!

Jesus is Lord!
