Our Advertising Terms and Conditions set out our standard terms and conditions for advertising products and services we supply to advertisers on our websites.

1. Every advertiser and advertising agency (“you”) who submits an order for advertising on a medium operated by us, agrees to these terms and conditions. Your order and these Terms and Conditions form the basis of a contract between you and us for the provision of the advertising ordered by you.
2. We will, subject to availability, technical limitations and these Terms and Conditions, use our reasonable endeavors to publish your advertisement in the format submitted by you and in accordance with your other instructions. The positioning or placement of your advertisement will be at our discretion unless we expressly agree otherwise in writing.
3. We may, at our absolute discretion, refuse to publish any advertisement without giving any reason. No contract is formed between you and us until we accept your advertisement for publication and issue you with a valid tax invoice. If we do refuse to publish your advertisement, no fee will be charged to you. Even if a contract has been formed between you and us, we reserve the right to refuse or withdraw your advertisement from publication at any time, without giving reasons, even if we have previously published the same or similar advertisement. If charges have already been run, then a refund can be provided if your ad has been refused for print. We will endeavor to notify you of those changes, but we will not be liable for any costs, expenses, losses or damages suffered or incurred by you arising from our failure to publish your advertisement in accordance with your request. We may head any advertisement as “Advertisement” whenever required to do so by law or whenever we consider it appropriate, for any reason, to distinguish it from other types of content.
4. The rate for your advertisement will be as agreed. You must pay us for the advertising services in accordance with the terms of your order. We will invoice you with payment options. If online creative is received by us after the relevant date and causes your campaign to be delayed, the publication of the advertisement will be considered to have commenced on the commencement date specified in the order. It is your responsibility to arrange and manage re-directs with third party ad servers and provide such third party with the creative and lead time requirements. We will not compensate you where campaigns are affected or delayed in any way by third party ad-server redirect problems. We may, in our absolute discretion, remove any redirects from our network which are delayed in serving advertisements. All click-through URLs must enable the browser feature to allow users to return to our website. If you submit advertising material to us electronically, the material must comply with our specifications.
5. You must promptly check any proofs of advertising, if we have arranged to provide you with any and notify us of any errors in the proofs or in any advertisement that we publish for you. We do not accept any responsibility for errors in advertising material that has been submitted electronically by you.
6. All advertising contracts are non-refundable.
7. If you fail to pay for the advertising services in accordance with your order and these Terms and Conditions, or if you commit an act of bankruptcy, become insolvent, have a receiver or administrator or liquidator or manager appointed over any of your assets or if you resolve to wind up your company, then we may (at our absolute discretion) cancel any current advertising campaign and terminate any agreement for advertising that is yet to be published and take proceedings against you to recover any overdue amount including costs in relation to any action taken against you by us.
8. By submitting advertising material to us or authorizing or approving the publication of advertising material by us on your behalf, you warrant that the advertising material complies with all relevant laws and regulations and that its publication will not give rise to any claims or liabilities against us, our partners, our directors, employees or agents. Without limiting the generality of the above, you indemnify us and our partners, our directors, employees and agents against any costs, expenses, losses, damages, liability and claims suffered or incurred and arising from your breach of these Terms and Conditions and any negligent or unlawful act or omission by you in connection with the advertising.
9. We make no representation or warranty in relation to the number of visitors to our websites or the number of impressions at any site except for any made expressly in writing by us. Except for any warranty or representation made expressly in writing by us, you acknowledge that you have not relied on any advice given or representation made by us or on our behalf in connection with the advertising.
10. We have no liability to you and you indemnify us in relation to any failure of telecommunications services or systems which affect our receipt of your advertisement or the publication of your advertisement.
