Brooke Swafford and Richie Lacell were married on a beautiful summer day in July! Their navy and powder blue, elegant wedding day was one to remember! Brooke and Richie's favorite part of the day was celebrating with friends and family after they became husband and wife. See their wedding hashtag #lacellebration for all the highlights. Brooke and Richie's vision for their reception was brought to life by Laurenda's Catering! Delicious, southern comfort food greeted their guests as they were seated! Laurenda and her team started the spread with a fresh garden salad then served fried chicken, roasted red potatoes, macaroni and cheese, green beans and rolls, all topped off with a cold glass of sweet tea! For dessert, everyone enjoyed banana pudding and chocolate cake. Laurenda also featured an ice cream bar filled with the couple's favorite flavors, a vintage Pepsi station with specialty flavor pairings, and a beer and wine station.
