

BRITTANY AND JORDAN

PRESENTED BY BLECKLEY STATION

In Her Words - We met in college through several classes and athletics at Clemson University. I played soccer at Clemson while Jordan was a sports medicine trainer for football (undergrad) so you can imagine we had a lot of time around one another! I am from the suburbs of Atlanta, and he grew up in Easley SC, so getting married close to where it all began was important to us, and we have always loved downtown Anderson - Sullivan's is one of my favorite restaurants! The weekend of our wedding was like the town of Anderson just let us become a part of them. With the location of the Bleckley Inn and Station, and how all of our lunches, dinners, ceremony, etc. were all along Main Street - It was like college all over again with our former teammates, best friends, and family just running around the town all weekend. It was a dream come true, and the Bleckley Inn will forever be dear to our hearts.

Top 2 treasured moments (besides marrying my best friend):

My Father-Daughter dance was very different than most. My father passed away 7 years ago, so my uncle walked me down the aisle and we planned on dancing to my Father's favorite song. Without me knowing, all of my Father's best friends stepped in throughout our song, Landslide by Fleetwood Mac. Everyone to this day says they have never cried so much at a wedding! I am even tearing up now just replaying it in my head. Some of those pictures are included, and although I was overwhelmed with emotion, the amount of love in the room was insurmountable.

Second favorite moment was our surprise hot n' ready Krispie Kreme donuts! They were a hit!
