Course Description:

Accounting training for managers: Includes managerial accounting environment, systems design, cost behavior analysis and use, profit planning, standard costs, and decision making.

Course Objectives:

During this course students will:

- 1) Describe how cost accounting data is accumulated and the concepts necessary to use such data effectively.
- 2) Discuss cost volume, profit relationships and apply the CVP concepts.
- 3) Describe planning and control, and the relationship between them.
- 4) Describe and apply cost concepts for decision-making.
- 5) Describe the techniques and abilities necessary to make business decisions

Student Learning Outcomes (SLOs)

After completion of the course students will be able to:

1. Apply managerial accounting concepts to real life business needs by using cost concepts, job order and process cost accounting, budgeting and responsibility accounting.
2. Implement accounting tools for planning, controlling and directing daily operations.
3. Participate with organizational management to make appropriate business decisions impacting profit and investments of time, materials and capital purchases.

Course Structure:

The course will introduce students to the accounting concepts through instructor lectures, powerpoint presentations and class discussions. The student will learn through an interactive approach including participation in problem solving. Students should attend all class periods and be prepared by reading assigned chapters and completing assigned homework problems. Be prepared for quizzes on the homework within first ten minutes of class period.

Texts and Materials:

- Managerial Accounting 7th Edition, Weygandt, Kimmel, Kieso
- A basic calculator is required to complete the homework, quizzes and exams
- Cell phones can NOT be used as calculators

Evaluation and Grading & Assignments:

4 Exams (100 points each)	400 points
Quizzes (5 highest-20pts each)	100 points
Homework	<u>100 points</u>
Total	600 points

Course grades will be assigned as follows:

A – 90% - 100%	540 – 600 points
B – 80% - 89%	480 – 539 points
C – 70% - 79%	420 – 479 points

F – Below 60%	Below 360 points

Himdag Cultural Component:

Incorporating the Spirit of Himdag, Tohono O'odham culture and traditions, and Tribal sovereignty and self-determination will be encouraged in all class discussions.

Policies and expectations:

Course Feedback: Every effort will be made to return assignments for study before scheduled exams. Every effort will be made to return exams at the next scheduled class. Every effort will be made to answer emails and phone messages within 48 hours. Students are encouraged to inquire as to their progress. Student conferences can be held upon appointment.

Workload: Students are expected to spend an average of 9 hours per week attending class sessions, doing assignments, reading and preparing for exams. The standard Carnegie unit of college credit assigns one credit hour for each 15 hours of class time and assumes students spend two to three hours per week working outside the classroom for each hour of classroom instruction. For a three-credit course, this translates to 135 hours per semester or an average of 9 hours per week for a 16-week semester.

Caveats: Every effort will be made to follow the procedures and schedules listed in this syllabus, but they may be changed. The instructor will make every attempt to advise students in advance of any changes.

Attendance: Each session is very important to the student's overall knowledge of the course material. Therefore all students are expected to attend and participate in classes.

Quizzes: There will be approximately 7 quizzes given. Quizzes will usually be given at the beginning of the class period. Therefore it is important for students to ARRIVE to class ON TIME. Make-up quizzes will not be given. The highest 5 quizzes will be counted.

Make-up Exams:

No make-up exams given. If an exam is missed, the optional cumulative final can be taken to replace the missing exam.

Final Exam:

Students have the option to take the final cumulative exam to replace the grade of another exam, in order to increase their semester grade.

Extra Credit Opportunities: Extra credit assignments may be available.
