

Dear Friends,

Elite Midstream Services is proud to invite you to attend our **Third Annual Sporting Clay Shoot benefitting Homes For Our Troops**. The event will be held on May 5, 2018 at Hunting Hills Shooting Preserve located in Dilliner, PA.

Homes For Our Troops (HFOT) is a national 501(c)(3) non-profit organization founded in 2004 committed to building and donating specially adapted custom homes nationwide for severely injured post-9/11 Veterans, to enable them to rebuild their lives. These Veterans are among the nation's most severely injured with missing limbs, varying levels of paralysis, blindness and traumatic brain injury (TBI). The homes are provided mortgage-free to these Veterans. Contributing to this fundraiser will help **HFOT** continue its mission to **Build Homes and Rebuild Lives**. You can trust your dollars are going to a Top-Rated Military and Veterans Charity: **HFOT** has received Charity Navigator's highest rating of 4 Stars every year since 2008 and Charity Watch has awarded **HFOT** an 'A' rating. Nearly 90 cents on the dollar goes to helping the Veterans they serve.

We are very proud of last year's event because we were able to send a check to **HFOT** for \$13,645.00 to be used to help fund the construction of a home adaptable for Army Corporal Kevin McCloskey, who sustained serious life altering injuries as the result of his vehicle striking an improvised explosive device (IED) in Logar Province, Afghanistan. This explosion resulted in the loss of both his legs, vision loss in his right eye and a traumatic brain injury, (TBI). We are again dedicating the proceeds of this event to Corporal McCloskey.

We take for granted our ability to navigate through the hallways and doors of our homes. We can easily utilize our bathrooms, reach the counter tops in our kitchens to prepare food or enter our home from our driveways. These activities are difficult, if not impossible, for Corporal McCloskey. A home that would permit Corporal McCloskey to function in is not available on the open real estate market. The home must be designed and constructed to specifically meet his needs. The bathroom and, kitchen fixtures and appliances are all designed to accommodate Corporal McCloskey's injuries. None of them are available, off the shelf, at Home Depot.

Corporal McCloskey is the reason why the Elite Staff is so passionate about making this fund-raiser successful. Please share this passion with us by supporting and attending this event.

The event will include 100 Sporting Clays. Registration begins at 8:30 AM, Warm-up Stations will be available starting at 9:00 AM and a shotgun start commences at 10:00 AM. Following the shoot, a barbecue lunch will be served. There will be a Door Prize, Chinese Auction, Silent Auction and a separate raffle for a quality shotgun. The cost to attend the event, including an outline of the available Sponsorship Packages, and the Registration Form are attached.

We are asking some of our friends to contribute to this event to ensure that the Nation's most severely injured veterans can return to as normal a life-style as possible. This is a life-style we sometimes take for granted.

We are asking for a monetary donation to purchase items for the event that we will either raffle or auction to enhance the net proceeds. You may also donate an item that is valued at \$200.00 or more. Your company name will be prominently displayed next to the raffled or auctioned item and will also be included in the event program as a donor.

The Elite employee family is trying to make the phrase "*Support Our Troops*" a meaningful refrain for all of us.

We thank you for your support!
