

ECLIPSE STORAGE GUM

Metal Plate Storage Gum

Eclipse Storage Gum is a high quality, long term lithographic plate storage gum. Eclipse can be used on all analog and CtP lithographic printing plates. Eclipse Storage Gum is formulated to comply with the low VOC's required in Southern California, but provides the ideal blend of ingredients necessary for stable, long term plate storage.

- Universal storage gum
- Long term preserver
- Eliminates blinding
- Eliminates oxidation of plate surface
- Less than 100 grams per liter

Direction For Use:

Thoroughly clean your inked litho plate with an Allied plate cleaner. Once ink is removed, apply Eclipse Storage Gum to a sponge or non-abrasive wipe and thoroughly wipe onto the entire plate surface to provide the necessary preservation.
