

SLIP

Anti-Friction Spray / Lubricant

Slip is a non-aerosol, anti friction spray formulated for use on cutter beds and in bindery areas where metal / steel surfaces will benefit from a thin coating of anti-friction spray / liquid.

- No water
- Clear, non staining formula
- Reduces friction
- Rust inhibitors
- Anti-static properties

Direction For Use:

Use: Spray Slip onto the intended metal/steel surface and wipe / buff to a slight gloss.

Note: Can also be used as a chrome cylinder repellent.

Specifications:

VOC content lb. / gallon	5.9
VOC content grams / liter	709
Flashpoint	145°F
Color	Colorless
