

VANISH EXTRA STRENGTH

Plate Cleaner, Conditioner & Scratch Remover

Vanish Extra Strength is an alkaline creamy emulsion scratch remover and plate cleaner. Vanish Extra Strength will remove ink fast and condition the non-image area to stay water receptive. Removes deep scratches for the long term. Can be used by hand or with trigger sprayer to clean plates on the run.

- Cuts through and removes ink quickly
- Removes Oxidation
- Use by hand or with trigger sprayer
- Desensitizes deep scratches
- Leaves non-image area water receptive
- Tested and used on metal plates world wide

Direction For Use:

Pour a liberal amount of Vanish Extra Strength onto a clean shop towel, wipe over entire plate paying attention to sensitive areas. Wash off with water and run.
