

IMAGEN CtP

Metal Plate Cleaner

Imagen CtP is a universal, high performance plate cleaner. Imagen CtP performs effectively on most all analog and CtP plates (thermal, violet & no process). Imagen CtP has been tested on most major plate brands without any image degradation. Imagen CtP cleans plates, treats plate sensitivity, and can be used for short term plate storage. Imagen CtP is also compliant with the South Coast Air Quality Management District ruling.

- Removes ink & debris from plates
- Eliminates scratches
- Assists with plate sensitivity
- Short term plate preserving
- Less than 100 grams per liter of VOC

Direction For Use:

Imagen CtP can be used daily for general start up, plate cleaning, scratch removal and for short term plate storage. Also works effectively in removing ink a keeping chrome cylinders clean.

Suggestions:

For long term plate storage, please use Allied's Eclipse Storage Gum.
