

We're Back.

Last Tuesday we met with DCR Commissioner Leo Roy to discuss the future of Blue Hills Ski Area and we were awarded a 3 year permit to continue operating the ski area.

We plan to utilize the next three years to continue planning for the future of the ski area, by expanding operations, evaluating the aging infrastructure, and constantly working towards a better skiing and riding experience for you all.

Thank you so much for all of your support, we can't wait to get started.

Think snow!
