Evenlode Films and Productions for  
Projection-Mapping, Animation and  
Immersive Reality

# PRODUCTIONS

We combine our unique skills and expertise to provide our clients with an exclusive full-service package from film content for indoor outdoor installations, to the delivery and execution of a truly bespoke event.

## Example

Evenlode media group created, produced and delivered an original and emotive 17 minute projection mapped to a building 10 times the size of an IMAX's screen. We used a combination of film, 2D and 3D animation and visual effects. We produced an original score to support the visuals which together drew crowds in their thousands, reaching National TV, including the BBC and ITV. Live streams went viral on social media channels.

**An totally immersive experience which draws crowds in their thousands!**

*"The audience around me seemed as entranced as I was and overhearing their comments as I walked away afterwards , I know I am not alone in being incredibly moved by this production." ONP ; "The use of space and the architecture was really inspiring and every new scene gave us something new."*

Evenlode Productions for event content,  
production and management.

# EVENTS

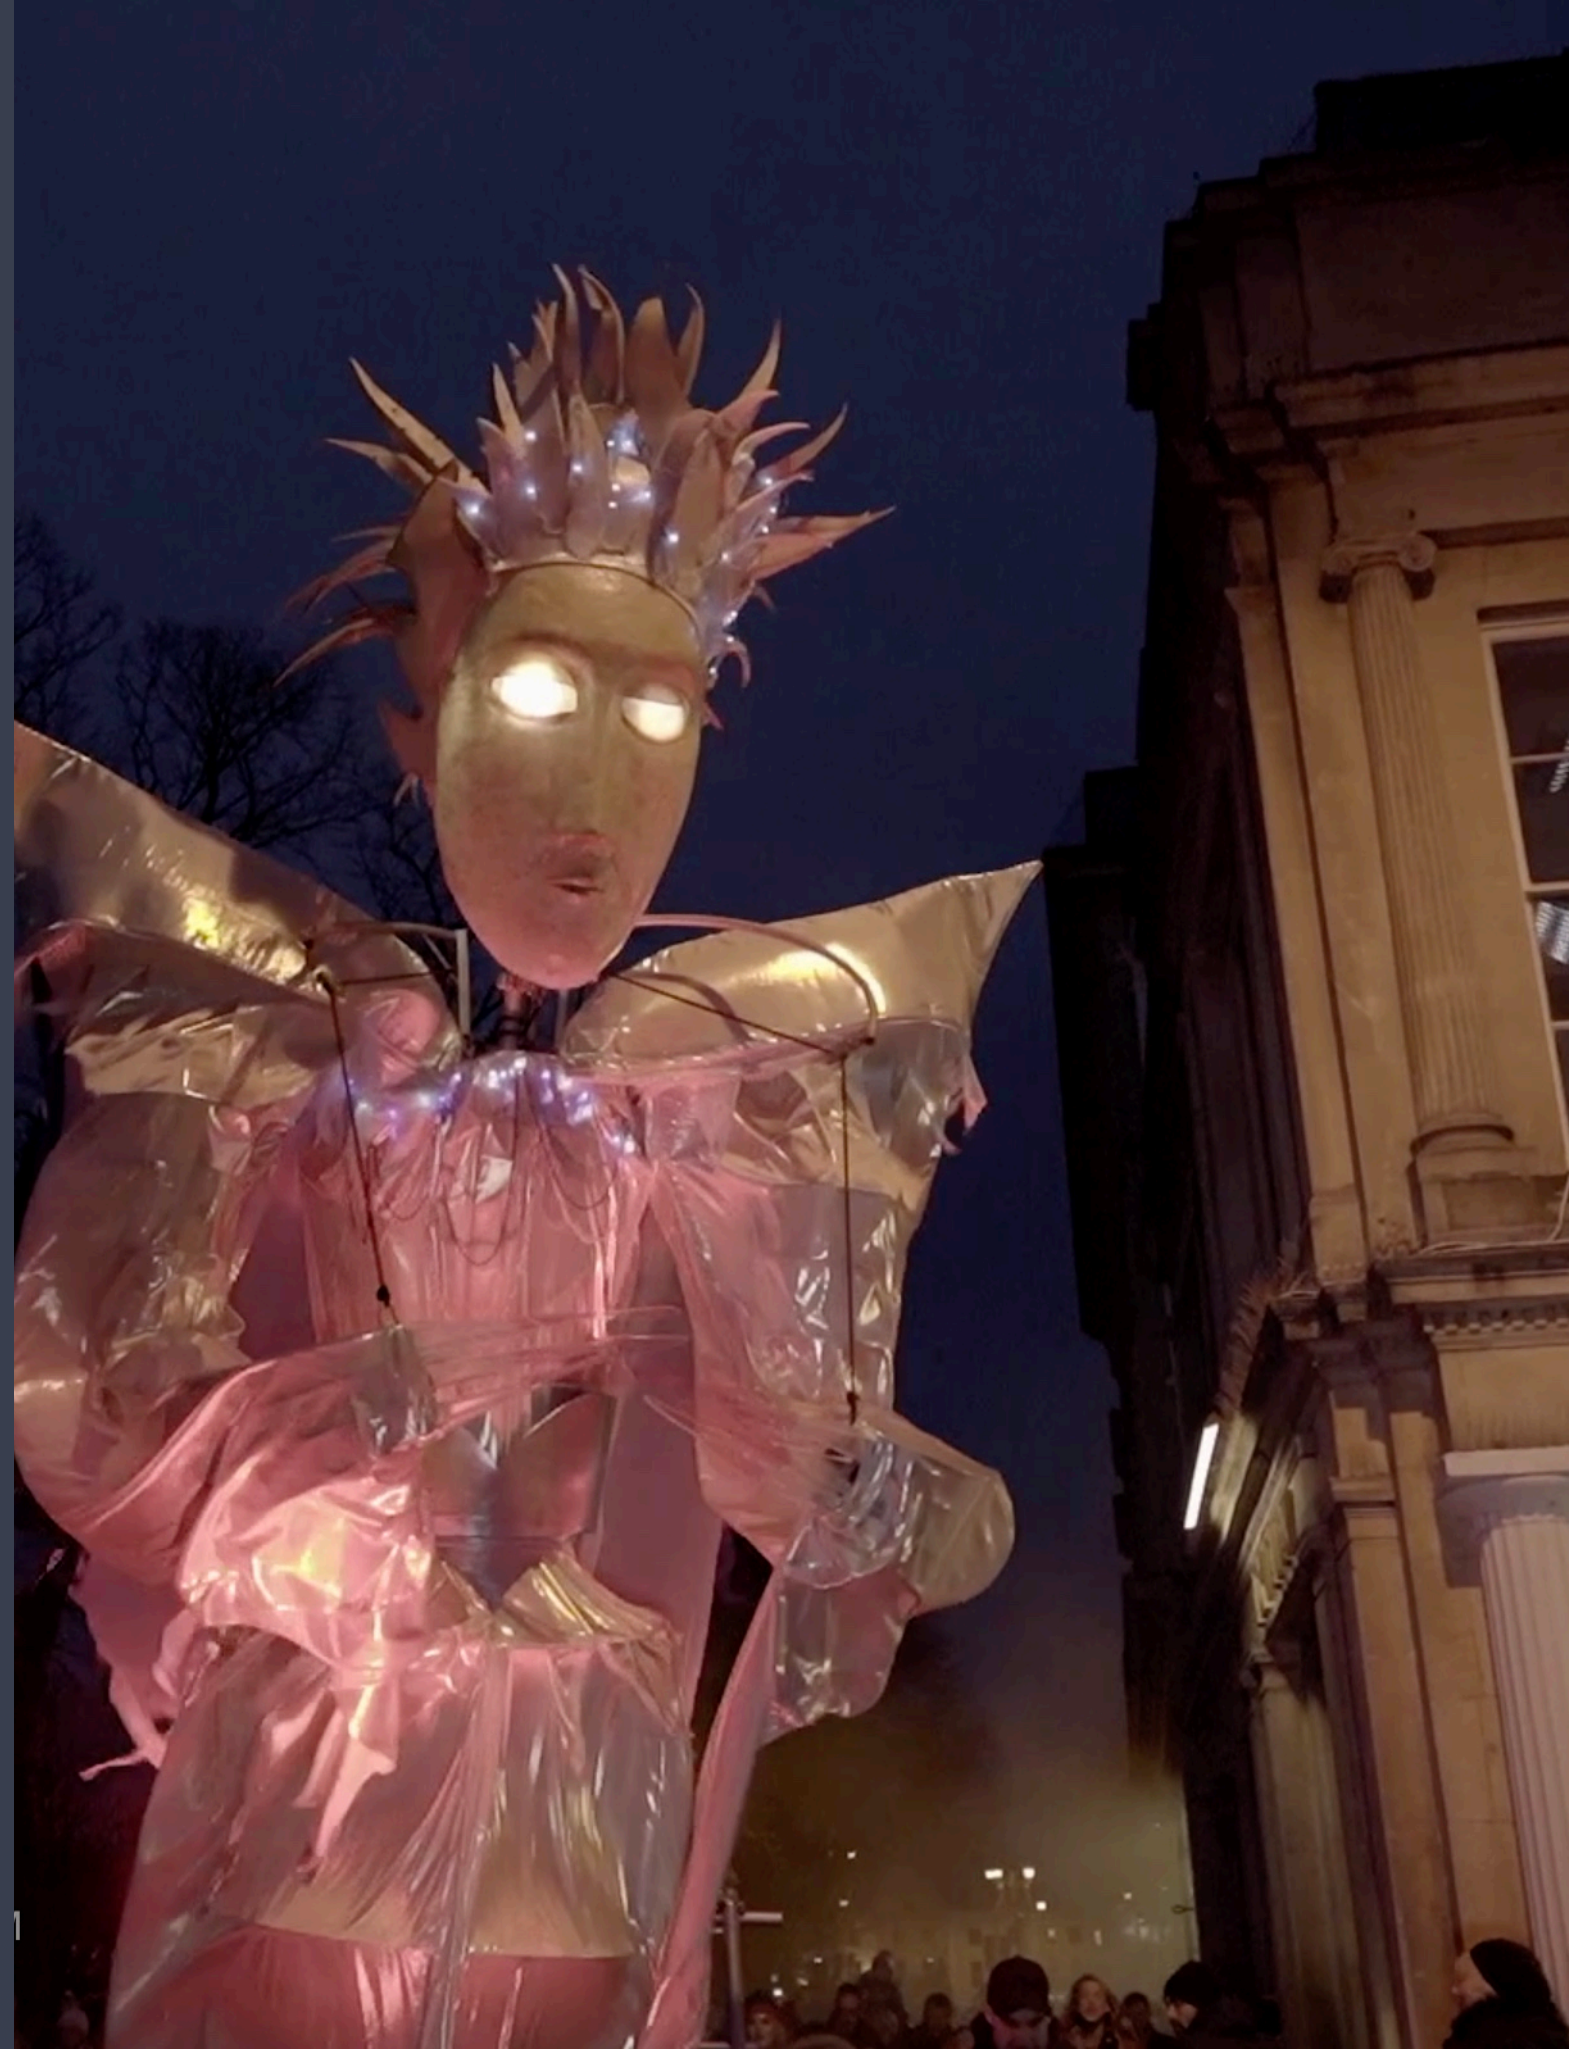

We produce all content for the production and delivery of high-impact events. We provide a truly original and memorable experience to our clients, with events that will stay in people's hearts and minds for years to come.

## Example

A White Witch the size of a 2 story regency building brought a unique spectacle of the likes never seen before for a Christmas Lights Switch-on event. This incredible event alone attracted more than 15,000 extra footfall and was just one of our many successful events this year.

**Evenlode Productions bringing you unique, creative and innovative content for all corporate and arts events**

*"[I] stood amazed at the great spectacle that unfolded before me. Such wonderful ideas woven together" OP; "It was stunning, congratulations on another breathtaking event" AS; "Absolutely fantastic ... blown away" BB; "Stunning"GD.*

**Evenlode Films for Corporate Film, Events Film, Conference Content, Social Media or Commercials and Immersive Technology (IR,VR,MR)**

# FILMS

Using innovative filmmaking technologies, we make inspirational films and videos for our corporate clients. We use a variety of creative techniques including animation, immersive media and traditional film. Whether for marketing, commercials, training, conferences, events, social media, explainer videos or arts projects, we will deliver to the highest quality.

## Example

Our spoken word film commissioned by the BBC received more than 200K views on National BBC News and BBC local Radio websites.

## Inspirational films that really do stand out !
