## ULTIMATE SPRING CLEANING CHECKLIST

### IT'S TIME TO START!

- dust surfaces throughout your home, blinds and corners included!
- vacuum all floors and tough to reach spots
- wash all floors, including bathroom floors
- wipe down door knobs and light switches
- move and clean appliances
- clean and wash bathroom counters and sinks
- scrub toilets, tubs and showers
- clean vents and replace filters if needed
- vacuum and wash throw rugs
- clean washer + dryer (some have self-clean setting and may take a couple hours)
- wash linens and pillows
- clean and flip mattresses if possible

### ADD SOME MORE "ELBOW GREASE"

- vacuum lampshades and replace bulbs where needed
- dust down fans + lights throughout
- dust down and wash doors
- clean fireplaces
- shake out drapes if possible + dry clean if necessary
- carpet clean where necessary

### ADD THIS TO YOUR "TO-DO" LIST

- clean windows inside and out
- clean outdoor areas
- clean out fridge and remove stains
- remove and wash curtains
- reorganize pantry and throw out expired food
- deep clean oven
- wipe down all shelves in pantry + cabinets
- change all filters where necessary
