

KING WILLIAM ROAD UPGRADE

CONSTRUCTION UPDATE - IMPORTANT INFORMATION -

29 AUGUST 2019

Use of McGowan Avenue as a storage compound for materials

Dear Resident / Business Operator

The purpose of this notice is to advise that the current storage compound on Boffa Street will be relocated to McGowan Avenue on **Friday 6 September 2019**.

McGowan Avenue, at the King William Road end, will be closed from 6am Friday 6 September and the closure will remain in place **until November 2019**.

Boffa Street, at the King William Road end, will reopen to traffic on Saturday 7 September.

The King William Road upgrade works require a materials storage compound close to the work site. This site is used for storage of materials and machinery.

Two (2) car parking spaces, located at the King William Road end of McGowan Avenue will be cordoned off with temporary fencing and the 30-minute loading zone will be relocated next to the temporary fencing and accessible via Queen Street.

The remaining car parks on both sides of McGowan Avenue will not be impacted and will be accessible via Queen Street. Access to driveways on King William Road and McGowan Avenue will be maintained.

Materials will be stored within the compound for use during the road transformation. Access will mainly take place during the day with access at night managed to key activities in the early part of the evening and limited use after midnight.

We thank you for your patience while these important works are undertaken.

For more information:

If you would like to discuss these construction works further, please contact the project team on the construction enquiry line: 1300 617 363 or via email at KWREnquiries@bmd.com.au

If you would also like to receive construction works notices by email, please send us an email with this request.

We thank you for your patience and understanding during this important transformation of King William Road.

Yours sincerely
King William Road Upgrade Team
