## MAJESTIC PINES, BALANCE ROCK, LAKEFRONT

Impressive mature pines, hemlocks, and hardwoods cover most of the peninsula. Rocky outcroppings, mosses, and mushrooms thrive among the peninsula's dark understory. Take the Orange or White trail for Megunticook Lake access, a popular spot for summer swimming.

## DIRECTIONS

From Lincolnville Center, take Route 52 south for 2 miles, then turn right at Fernalds Neck Road. Follow to its end, staying left at the fork.  
 From Camden, take Route 52/Mountain Street north for 5.8 miles, turning left at Fernalds Neck Road. There is limited parking. Please respect roadside restrictions and drive slowly.
