

Communiqué NIDOE-France

Disclaimer

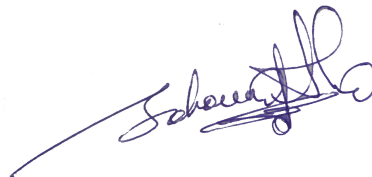

It has been brought to the knowledge of NIDOE-France that one John DOLE purported himself as representing and speaking on behalf of NIDO (France) in which he declared their support for presidential candidacy of President Muhammadu BUHARI on the grounds of what they referred to as continuation in the fight against corruption.

NIDOE-France hereby declares that Mr John Dole is neither a registered member of the organisation nor known to the organisation. All utterances by him are on personal basis.

We want to remind everyone that NIDOE-France is a non-governmental, non-political, non-religious and a not for profit organisation. NIDO has the support of the Federal Republic of Nigeria and as such works closely with the home government. While members of the organisation can individually support any candidate of their choice, NIDOE-France remains neutral, nonpartisan, advocates for free and fair elections and wishes each and every candidate all the best.
