

STUDYING TEFL WITH IOA

Teaching English is a perfect way to fund your travels and work anywhere in the world. It's also the ideal career for people working from home. Many TEFL teachers teach English online.

Immediately get a **certificate** when you complete the course successfully

Invest in an **internationally-recognized CPD accredited course**

Study online at your own pace 24/7

Start learning straightaway from any laptop or mobile device in any country

What is included in the TEFL course?

The TEFL course is compiled by an experienced teacher Matt Kimmel. You will learn:

- Teaching methods and English grammar
- How to keep your students motivated
- How to plan lessons
- Where to look for TEFL teaching jobs
- Tips on surviving interviews
- How best to prepare for life in a different culture

How do I start studying the TEFL course?

- **Register online** using the link provided to create your student account. Then you can **enter your Virtual Campus** to access your course and carry out administrative tasks
- Once you buy the **TEFL course**, you have **one year to start studying** it. Once you activate the course, you have **60 days to complete it**
- You do not have to wait to sit an exam or pay extra for it. You **take an exam at the end of each module and know your score immediately**

Will I get a TEFL certificate?

Yes, of course. To get the **free pdf certificate** you need to:

- **Complete every page** of the course
- **Pass the exams** with a minimum score of 55% at the end of each module
- Then your **certificate of successful completion will be emailed to you** immediately
- You can also **order a hard copy certificate from ICOES** (www.icoes.org) for a small fee to cover printing and posting

Is the course accredited?

- The TEFL certification course is **fully accredited by ICOES** (www.icoes.org) and **CPD Certification Service** (<https://cpduk.co.uk>).

Do I need any prior experience or qualifications?

- No formal qualifications or previous experience are required. **The courses are open to everyone.**

How can I contact IOA if I have any questions?

- When you log in, you'll see the **Help Centre button** with answers to many frequently-asked queries
- The **Customer Support team** is based in Europe and works Monday to Friday, 9am to 8pm GMT.
